ALL BMWED NATIONAL DIVISION & SYSTEM OFFICERS

Dear Brothers and Sisters:

Re: BMWED Cash and Non-Cash Compensation as of January 1, 2015

Attached for your information and use are the annual and monthly values attributed to cash and non-cash compensation accorded to Maintenance of Way employees under the terms of the April 25, 2012 National Agreement, and statutory benefits provided by applicable Federal Law, effective January 1, 2015.

The attached chart was constructed using an average hourly wage of \$25.59, the figure used by National Division to calculate National Division dues for Class I railroad employees for the calendar year 2015, and all figures are computed on the basis of an employee working straight time only on a twelve (12) month no-furlough basis. Obviously, figures for taxes paid by the Carrier and employee towards Railroad Retirement will vary based upon each employee's actual hourly rate of pay and number of hours worked in any calendar year. The purpose of the chart is to provide a reasonable example of economic value provided to BMWED members under the terms of the National Agreement and Federal Law.

Also note that the values for the health insurance include the actual amounts paid by the carriers to the various health insurance providers/administrators, including on-duty injury coverage. As you can see, those figures are greater than the amounts used to calculate the employee cost-sharing contributions. The employee cost-sharing contribution remains the same as it did for 2013 and 2014 at \$198 per month.

If you have any questions regarding this circular, please contact Peter Kennedy, Executive Assistant to the President, at (248) 662-2614.

Fraternally yours,

Freddie N. Simpson  
President
