PREAMBLE

1. The Dakota, Minnesota, and Eastern Railroad (DM&E) recognizes the Brotherhood of Maintenance of Way Employees Division/IBT (BMWED) as the collective bargaining representative of maintenance of way workers employed by DM&E. Where the term “Union” appears in this Agreement, it shall be understood to mean the duly elected officers of the BMWED. Where the term “Company” or “Carrier” appears, it shall mean the DM&E or the party authorized or designated to handle specific matters for or on behalf of DM&E.

2. The right to make and interpret contracts and/or agreements covering rules, rates of pay, and working conditions, including this Agreement, on behalf of the employees shall be the sole purview of the BMWED General Chairman and on behalf of the Company shall be DM&E’s highest designated officer, as that term is defined under the Railway Labor Act (RLA).

3. The parties to this Agreement understand that the fundamental mission of the DM&E and its employees is to provide service to its customers in the most safe and efficient manner. This Agreement shall constitute a labor agreement between the DM&E and the BMWED and shall be applied to all employees of the DM&E represented by the BMWED.

4. The BMWED affirms the long-standing principle that the Company retains the authority to assign work and manage its business according to its best judgment so long as its actions are not specifically restricted or in direct violation of this Agreement.

5. It is understood that where the masculine gender is used it shall include both masculine and feminine.

RULE 1 – SCOPE

1. The rules in this Agreement shall govern the hours of service, rates of pay, and working conditions of DM&E employees represented by BMWED who work in the Engineering Department and who are generally involved in basic inspection, maintenance, and repair of DM&E’s track and certain structures which are located on the right-of-way and used by DM&E to meet its common carrier obligations.

2. It is recognized that the flexibility to use contractors/third parties has been the practice on DM&E. Therefore, DM&E may continue to utilize the services of contractors/third parties on the same basis as it had prior to the effective date of this Agreement.

3. Other employees may perform work on an “as needed” temporary basis as long as it does not cause or result in the abolishment of one or more positions under the Agreement.

4. It is understood that emergency service may be performed as determined by the Company.

RULE 2 – EMPLOYMENT STATUS

1. The following categories of employment apply to employees covered by this Agreement.

   a. **Regular** full-time (regular) employees assigned to an ongoing position with no known end date.

   b. **Temporary** employees are those hired to seasonally or temporarily supplement the regular workforce or to assist in the completion of a specific project. Employment assignments in this category are of a limited duration and employees establish seniority on a separate temporary seniority roster until such time as they are awarded a regular position by permanent bulletin. When no longer employed,
temporary employees will be considered furloughed without benefits, but with retained seniority and the use thereof, until returned to active service.

RULE 3 – PROBATIONARY PERIOD

1. Except as provided in paragraph b., below, applications for employment will be rejected within one hundred twenty (120) calendar days after seniority date is established, or the application shall be considered accepted. Applications rejected by the Company must be declined in writing to the applicant. By mutual agreement between the Company and the Union the probationary period may be extended.

   a. An employee who has been accepted for employment pursuant to the above provision will not be terminated or disciplined by DM&E for furnishing incorrect information in connection with an application for employment or for withholding information therefrom unless the information involved was of such a nature that the employee would not have been hired if the Company would have had timely knowledge of it.

   b. Upon satisfactory completion of the probationary period, the employee will be placed on the appropriate seniority roster(s).

RULE 4 -- RATES OF PAY AND WORK CATEGORIES

1. RATES OF PAY

On the effective date of this Agreement, the following hourly rates of pay will apply to the following work categories, subject to entry rates.

c. The initial combined rosters will be subject to protest by employees for a period of 60 days following the effective date of this Agreement. Thereafter, rosters will be posted in January of each year in places accessible to all employees affected. Employees will have thirty (30) calendar days from the posting to challenge any seniority date or qualification awarded within the previous calendar year. If not challenged, the roster will be considered accurate.

2. Seniority
   a. When two or more employees establish seniority on the same date, they shall be ranked in order of their date of birth, with the older as the senior.
   b. When an employee is awarded a position in a work category, the employee also will receive a seniority date in lower categories in the same Work Group.
   c. Employees leaving employment will forfeit all seniority. If they are rehired, they will be considered as new employees. If an employee is granted a leave of absence with a written commitment to return to DM&E within a specified period of time, his seniority will be retained during the leave of absence.
   d. Employees promoted to salaried positions will retain all seniority rights in accordance with Rule 32.

3. Seniority for Employees Hired After the Effective Date of the Agreement
   a. Employees hired to positions after the effective date of this Agreement will establish seniority on the System Regular or Temporary Employee Roster with a date corresponding to the date he first performed compensated service in the applicable work category.

4. Exercise of Seniority After Effective Date of Agreement
   a. Except as otherwise provided by this Agreement, seniority rights of employees covered by these rules may be exercised only when new positions are established, vacancies of thirty (30) calendar days or more are posted, a reduction in forces occurs, or when displaced or disqualified.
   b. Employees, who are placed on the applicable Rosters, as outlined in this Rule will not be forced to any position.

RULE 7 -- SENIORITY DISTRICTS

1. Following the effective date of this Agreement, a new merged System Seniority District will be constructed by consolidating the former North and South Seniority Districts.

   North (N)  
   South (S)  

2. The division point between the North and South prior rights seniority territories is located at Blooming Prairie, Minnesota, milepost 85.0, on the Owatonna Subdivision.

3. An employee hired prior to the effective date of this Agreement will establish a prior rights seniority date on the former North or South District, pursuant to Rule 6 of this Agreement, which shall govern the exercise of seniority.

4. When a new position or vacancy exists on a headquartered position, the headquarters point of a bulletined
position will determine the prior rights designation. The position will be awarded to the senior qualified bidder as set forth in Rule 9.9.

Note 1: An employee’s prior rights cannot be forfeited under the terms of this Agreement.

Note 2: New positions and vacancies bulletined as system positions will not be considered headquartered point positions. As such, prior rights will not be applicable to these non-headquartered system positions.

[Intentionally Left Blank]
RULE 8 – REPORTING LOCATION / HEADQUARTERS

1. When a position established under this Agreement has an assigned reporting location or headquarters, it will be designated on the job posting.

2. When a position is advertised as a non-headquartered, the employee's location, for purposes of determining eligibility for expenses under Rule 24, will begin at the DM&E milepost closest to the employee’s residence.

3. Temporary Use of Headquartered Employees Off of Prior Rights Territory.

Employees may be utilized temporarily off of their prior rights (North or South seniority) territory for a period of up to thirty (30) consecutive calendar days without the position being bulletined as a new position on the seniority district involved. These employees will be eligible for meal, lodging and travel allowance as set forth in Rule 24. No employee may be utilized temporarily off his/her prior rights territory for more than sixty (60) working days in any calendar year without the concurrence of the General Chairman.

RULE 9 – NEW POSITIONS, VACANCIES, ASSIGNMENTS AND DISPLACEMENTS

1. New positions and vacancies in existing positions of more than thirty (30) calendar days will be posted in places accessible to all employees covered by this Agreement for a period of seven (7) calendar days. This requirement may be satisfied by posting electronically as long as all employees covered by this Agreement have access to the information.

2. Job Advertisements
   a. Positions will be advertised as “Permanent”, “Temporary” or “Seasonal.”
   b. An employee who is the incumbent on a “Permanent” position and who is the successful applicant for a “Temporary” or “Seasonal” position will not relinquish his “ownership” to the Permanent position. Instead, the incumbent’s position is advertised as “Temporary” or “Seasonal.” However, the incumbent may reclaim the permanent position when his Temporary or Seasonal position is abolished or when he is displaced from the position by a senior employee.
   c. “Temporary” positions are those used to fill the known vacancy of a permanent position.
   d. “Seasonal” positions are those which the Carrier intends to abolish at the end of a production season or cycle.

3. The posting will show status of position (permanent, temporary or seasonal), rate of pay, location, whether assigned to a fixed headquarters point or non-headquartered, title, general description of the position responsibilities in accord with Rule 4.2. (Rates of Pay and Work Categories), assigned hours of service, meal period, assigned rest days and for vacancies, the expected duration, if known.
   a. If the assigned hours of service, start time, and/or rest days are expected to vary, this information will be included on the posting, to the extent known.

4. Employees desiring to bid, shall, within seven (7) calendar days of the date of the posting, file their application.
5. Employees assigned to a permanent position that are subsequently assigned to a temporary/seasonal position and then exercise seniority to a second temporary/seasonal position in the same or lower work category will forfeit their permanent assignment. When the aforementioned permanent position is posted for filling, such employee will be prohibited from bidding the posting of the permanent position.

6. An employee will not be entitled to reassignment from his current position to the position last occupied, unless there are no other applicants or until the position has been assigned to another employee (who subsequently vacates the position).

7. When more than one new position or vacancy of greater than thirty (30) calendar days is posted at the same time, employees shall have the right to apply for any or all positions, stating their preference(s). Internal and external postings may run concurrently with the understanding that an internal candidate will be given preferential consideration, provided they have comparable experience, qualifications, and have met the Company's performance standards.

8. The name of the successful applicant will be posted for five (5) calendar days in the same manner as the original posting. However, this does not preclude the Carrier from withholding the employee to meet business needs. Employees withheld will be paid the rate of the newly awarded assignment or their current assignment, whichever is higher.

9. Assignment to Advertised Positions

a. The selection of applicants for advertised positions will be based on seniority provided fitness and ability are sufficient, except as provided below.

b. When filling positions in the work categories of Track Inspector, Structures Foreman, Track Foreman, Welder, Work Equipment Repairman, Machine Operator A, and Carpenters, job related criteria which may include: specific skill sets, experience, education, certification, fitness and ability, and, where appropriate, prior performance and behavior may be considered. Where all job related criteria are equal, seniority shall prevail.

c. The Company may advertise certain positions requiring the successful applicant to remain on the position for a period up to and including twelve (12) months (unless abolished earlier). These positions will be advertised as "restricted". Employees working restricted positions will be paid a two (2)% premium over the regular hourly rate for the position. Successful applicants may not bid off such restricted positions during the twelve (12) month period of their assignments. Employees on restricted positions may be displaced by senior qualified employees in the exercise of their seniority who thereby assume the requirement to remain for a twelve (12) month period.

d. For the purposes of filling non-headquartered positions, the term "senior employee" means first, a Regular employee possessing the earliest seniority date in the advertised work category and thereafter in lower categories in the work group. These employees will receive preference on advertised positions unless otherwise specified in this Agreement.

i. If no applications are received from employees with seniority rights in the group, then the Temporary employee with the earliest seniority date in the work category and thereafter in lower categories in the work group.
ii. If no Regular or Temporary employees possessing seniority rights in the applicable Work Group are successful applicants, the position shall be awarded to the qualified Regular employee with the greatest length of service.

iii. If no such Regular employee is a successful applicant, the position shall be awarded to the qualified Temporary employee with greatest length of service.

e. For the purposes of filling headquartered positions, prior rights shall apply.

i. In the application of prior rights, the term "senior employee" means first, a Regular employee possessing the earliest seniority date in the advertised work category who also possesses the applicable "N" or "S" prior rights designation and thereafter in lower categories in the work group. These employees will receive preference on advertised positions unless otherwise specified in this Agreement.

ii. If no Regular employee with applicable prior rights in the work group makes application, the position will be awarded to the Regular employee with the earliest seniority date in the work category regardless of prior rights and thereafter in lower categories in the Work Group.

iii. The same process will be followed for employees on the applicable Temporary Roster if no applications are received from Regular employees in the Work Group.

iv. Thereafter the assignment rules set forth in paragraph d. above will apply.

f. In the event no qualified applications are received from Regular and/or Temporary employees, for a posting, the position may be blanked or filled at the Company's discretion. This may include hiring or subcontracting. If the Company selects an unqualified applicant for Track Inspector, Structures Foreman, Track Foreman, Work Equipment Repairman, Machine Operator A, Welder, and Carpenter, and provides training to the applicant, the applicant may not make application for any other position for a period of nine (9) months after assignment to the position. Employees being trained in accordance with this paragraph may not be displaced until training is completed in accordance with paragraph g.

g. Employees who are assigned will be given up to thirty (30) calendar days in which to obtain qualifications for the position. This period may be extended by mutual agreement between the Company and the Union.

h. An employee who is "disqualified" must displace to the highest rated position they can hold in the work category of the job (Temporary or Permanent) for which the employee has seniority and qualifications.

**RULE 10 – FILLING SHORT VACANCIES**

1. Employees may be permitted to occupy a vacancy or position pending advertisement and award.

2. The manager will determine whether a vacancy or position is to be filled. If the decision is to fill, the manager will fill the position with a qualified employee who is readily available, can be released from his/her normal duties, and, everything being equal, is the senior employee. Failing that, the manager may appoint any qualified employee who is willing to accept the assignment.
3. An employee with a displacement right who is qualified for the position will have the opportunity to displace on the short vacancy only if otherwise subject to furlough and will be permitted an exercise of seniority when a senior employee returns to the position.

**RULE 11 – REDUCING FORCES AND EXERCISING SENIORITY**

1. In reducing forces or abolishing positions, at least five (5) working days advance notice, exclusive of the date of notice, will be given to affected employees, except in emergencies, in which case no advance notice is required.

2. Employees, whose positions are abolished, may exercise their seniority rights over junior employees on positions for which they are qualified within seven (7) calendar days of the date affected; other employees affected may exercise their seniority in the same manner.

3. Employees who are affected by a reduction in force or an exercise of seniority by a senior employee, must:
   - Exercise seniority rights on a position for which qualified within seven (7) calendar days of the date affected. In the exercise of seniority under this Rule on prior rights headquartered positions, the employee possessing seniority rights in the applicable work category who also possesses the applicable prior rights designation will be considered "senior" to an employee who does not possess the applicable prior rights designation; or,
   - Assume a laid off status and remain subject to recall when forces are increased or vacancies occur.

4. If taking seven (7) calendar days to exercise seniority pursuant to paragraph 3.a., they will be expected to be available to protect short vacancies until working the new job.

**RULE 12 – RECALL / VOLUNTARY RESIGNATION**

1. Employees having insufficient seniority or qualifications to displace other employees will be considered laid off. An employee in laid off status who desires to protect his seniority rights must, within ten (10) calendar days of being laid off, verify his contact information and file any changes to his address and telephone number in writing, or electronically, with the designated Company Representative and must keep this information current throughout the laid off period. Failure to do so, resulting in the Company’s inability to contact the employee, will cause a forfeiture of all seniority, and the employment record will be closed.

2. When forces are restored, or vacancies occur under this Agreement, laid off employees will be required to return to service in order of their seniority rights, subject to qualifications, except in emergency situations. Laid off employees who fail to return to service within seven (7) calendar days after being notified and who cannot give satisfactory reason for failing to return to work will be considered to have voluntarily resigned. The employee will forfeit all seniority, and the employment record will be closed.
   - An employee who fails to accept recall to a position that would reasonably require a change in residence will not be considered to have voluntarily resigned. However, an employee that fails to accept recall for three (3) consecutive calendar years will be considered to have voluntarily resigned. The employee will forfeit all seniority, and the employment record will be closed.

3. In emergency situations, less than seven (7) calendar days’ notice may be given for laid off employees to return to work. In these circumstances, a failure to return to service will not be considered a voluntary resignation.
4. Advance notice to employees before positions are abolished shall not be required where any suspension of the Company's operations in whole or in part is due to a labor dispute between the Company and any of its employees.

**RULE 13 – COMPOSITE SERVICE**

1. An employee directed to fill the position of another employee receiving a higher rate of pay, shall be paid the rate of such position for the work day when the time so engaged is in excess of four (4) hours.

2. Except in case of force reduction, if an employee is required temporarily to fill the place of an employee receiving a lower rate, his rate will not be changed.

**RULE 14 – WORKSHIFTS AND WORK CYCLES**

1. The term work cycle is defined as the combination of workdays and rest days in an employee’s work schedule.

2. Other than when alternate work cycles are in place, employees will work eight (8) consecutive hours per day, five (5) days per week, with two (2) consecutive rest days, with the understanding that non-consecutive rest days may be assigned when the Company has a specific operational need.

3. Employees will be expected to be at work unless authorized by the proper authority to be absent. Employees who are absent from work of their own accord before completion of the days work will be paid for actual time worked.

4. All positions will have a start time(s) or assigned hours that will be stated on the bulletin.
   a. No work shift will commence between 0100 and 0400.
   b. Nevertheless, staffing, operational or other business needs may result in deviations from the bulletined work shift start time(s) and/or work cycle.
   c. If the work shift start time(s) is changed, the affected employee(s) will be so advised no later than the start of the meal period of the previous work shift. When change is made under this paragraph, employee(s) will be provided rest equivalent to the hours worked up to a maximum of ten (10) hours. Those working in excess of ten (10) hours will receive ten (10) hours rest.
   d. If the work cycle is changed, the affected employee(s) will be notified no later than the start of the work shift on the last workday of the previous work cycle.

5. Known variations in work shifts or work cycles that are expected to occur throughout the duration of the position or work season will be shown on the bulletin so that employees are aware of the generally expected work shifts and work cycles when bidding on the position. This will not preclude changes referenced in paragraph 6, below.

6. Alternate Work Cycles
   a. Notwithstanding the above, DM&E may assign alternate work cycles which provide for work cycles of the following, but not limited to:
i. Eight (8) consecutive ten (10) hour work days followed by six (6) consecutive rest days; or

ii. Four (4) consecutive ten (10) hour work days followed by three (3) consecutive rest days; or

iii. Seven (7) consecutive work days consisting of eleven hours and 25 minutes (11.4166 hours) followed by seven (7) consecutive rest days.

Positions advertised to work an 8/6, 4/3, or 7/7 work cycle schedule will be guaranteed eighty (80) hours pro rata for the pay period.

b. For such jobs, overtime shall be paid after the employee has worked the number of hours in the scheduled work shift.

c. The regular starting times or rest days will not be changed without the notice required in paragraph 4.c. or d., above. Reasonable efforts will be made to reach affected employees directly.

d. If a work cycle is changed from what was on the position bulletin for more than forty-two (42) calendar days and the regular employee requests to be released in writing with copy to staffing services, the job will be re-bulletined pursuant to Rule 9 and will be filled on an interim basis under Rule 10. The employee requesting a release may exercise seniority in accordance with Rule 11. The new posting will include the same work cycle as the original posting, except that it will also include a notation of the currently worked revised work cycle and its expected duration.

RULE 15 – OVERTIME

1. When operating requirements or other business needs cannot be met during regular working hours, employees will be given the opportunity to volunteer for overtime work assignments. Employees must receive their manager’s prior authorization for all overtime work. Overtime will be distributed first to the employees who regularly perform the work and, thereafter, as equitably as practical to all employees qualified and reasonably available to perform the required work.

2. Overtime will be paid for time worked in excess of regularly scheduled hours which is usually eight (8) hours/workday or forty (40) hours in a workweek (unless alternate work arrangements are in place). Overtime pay is based on actual hours worked. Time off on sick leave, or any leave of absence, will not be considered hours worked for purposes of determining eligibility for overtime pay.

3. Employees required to physically report for work, when not continuous with the regular work period, will be allowed four (4) hours pay at the overtime rate. If held on duty in excess of four (4) hours, overtime will be on actual minute basis.

4. In extreme circumstances such as derailments, employees may work more than sixteen (16) hours, which would be authorized by the proper authority. In such cases, time worked after sixteen (16) hours will be compensated at the double time rate. An employee who has to work more than sixteen (16) hours in any twenty-four (24) hour period cannot be called back to work until he has received a minimum of ten (10) hours rest. If the ten (10) hour rest period includes any part of the employee’s regularly assigned work assignment, the employee will be compensated for that time at the pro-rata rate. The employee shall not report to work prior to ten (10) hours rest unless specifically authorized. If an employee is called back to work after working more than sixteen (16) hours without receiving ten (10) hours of rest prior to being called back, the affected employee will remain on double time until he has received ten (10) hours rest. This
double time continuation will not apply unless authorization is obtained by the employee.

**RULE 16 MEAL PERIODS**

1. The Supervisor will determine the length and commencement time of the meal period, based upon operational requirements, as follows:
   a. Employees shall be provided with a single unpaid meal period each work shift of not less than thirty (30) minutes or more than sixty (60) minutes in length, during which time no work shall be performed.
   b. No employee shall generally be required to work more than the first six (6) hours of a work shift without being provided a break for an unpaid meal period which shall start no earlier than the start of the third hour.

2. Notwithstanding the above, if an employee is directed by the Supervisor to work without an unpaid meal period as provided in paragraph 1 above, a twenty (20) minute paid meal period will be provided at the first opportunity at the straight time rate.

3. For continuous service, after the end of their regular work shift, employees will not be required to work more than four (4) hours without being afforded an opportunity for a meal period which will not terminate the continuous service and will be paid for up to thirty (30) minutes.

**RULE 17 – ANNUAL VACATION**

1. Regular full-time employees are entitled to annual vacation leave based on their length of employment with the Company and the number of days of compensated service they performed in the immediately preceding calendar year.

2. The amount of paid Annual Vacation time to which an employee is entitled each year increases with the length of their employment as shown in the following schedule.

<table>
<thead>
<tr>
<th>Years of Eligible Service</th>
<th>Annual Vacation Days (8 hours)</th>
</tr>
</thead>
<tbody>
<tr>
<td>After 1 Year</td>
<td>5 Days</td>
</tr>
<tr>

<td>15 Days</td>
</tr>
<tr>
<td>After 15 Years</td>
<td>20 Days</td>
</tr>
<tr>
<td>After 20 Years</td>
<td>25 Days</td>
</tr>
</tbody>
</table>

3. An employee must perform compensated service on sixty (60) or more calendar days in each year for such year to count as a year of eligible service as set forth above.

4. An employee must perform compensated service on one hundred twenty (120) or more days in a year to qualify for their full Annual Vacation in the following year. Employees not performing one hundred twenty (120) days service will be granted Annual Vacation pro-rated in proportion to days of compensated service.

   *For example: If the employee was entitled to 10 days of vacation, based on length of service and days per paragraph 2 above, but he had only performed compensated service for sixty (60) days in the previous*
calendar year, he would be entitled to take five (5) days in the current year.

a. Employees who are working compressed work periods will receive credit for days in the following manner:

i. 8 hours 1 day
ii. 10 hours 1.25 days
iii. 11 hours 1.375 days
iv. 12 hours 1.5 days

5. Paid Annual Vacation time can be used in minimum increments of one-half day (4 hours).

6. To take Annual Vacation, employees shall request advance approval from their supervisors. Requests will be reviewed and approved based on a number of factors, including business needs and staffing requirements. An employee who is not permitted to take the current year allotment of Annual Vacation, in whole or in part, because such vacation time is not authorized by his supervisor shall be paid the number of hours of unused vacation at the straight time rate of his last regular assignment within sixty (60) calendar days of the end of the calendar year in which the Annual Vacation was not taken. It is understood that the employee is responsible for making reasonable efforts to take all vacation for which eligible in the current year.

7. Vacation which is not taken may not be carried over to the following calendar year.

8. Annual Vacation is paid at the employee's base pay rate at the time the vacation is taken. It does not include overtime or any special forms of compensation such as incentives, commissions, bonuses, or shift differentials.

9. Employees with banked vacation days will be governed by Side Letter # 2 appended to this Agreement.

10. Temporary Employees Subsequently Hired into Regular Employee Positions:

a. For each calendar month in which a temporary employee receives compensation for service for more than fifteen (15) full days, such service will count as one (1) month applied to his years of service for annual vacation allowance if and when he is subsequently hired as a regular DM&E employee.

b. In the year that a temporary employee is hired as a regular DM&E employee, vacation will be prorated based upon the date when the employee becomes a regular employee and the number of working days remaining in the year. The number of vacation days will be rounded up.

For example: the temporary employee transfers into the regular position on October 1 and would qualify for two (2) weeks (eighty (80) hours) of vacation (based upon his years of service) if he was working for a full year as a regular employee: There are sixty-five (65) working days remaining in the year in a year with 260 working days. To find the number of vacation days, divide 65 by 260 and then multiply the result by 80 hours. Then divide the result by 8 hours to come up with the number of days. Then round up to find the number of vacation days that the employee can take during the remainder of the year.

\[(65/260 \times 80) = 20 \text{ hours}/8 \text{ hours} = 2.5 \text{ days rounded up to 3 days}\]
RULE 18 – PERSONAL LEAVE DAYS

1. Employees with seniority as a regular full-time employee on the effective date of this Agreement will continue to be entitled to three (3) personal leave days, provided they work the full previous year. Employees will be allowed compensation based on the number of straight time hours worked in the preceding work day for the position to which they are assigned (e.g. if the employee is assigned to a position that is working ten (10) hours per day-four (4) days per week a personal day would be compensated for ten (10) hours). If such employee works less than the full year, the personal leave days for which eligible in the current year will be pro-rated on the following basis:

   a. performed compensated service as a regular full-time employee for not less than sixty six (66) days = 1 personal leave day;
   
   b. performed compensated service as a regular full-time employees for not less than one hundred thirty two (132) days = 2 personal leave days;
   
   c. performed compensated service as a regular full-time employees for not less than two hundred days (200) = 3 personal leave days.

   d. Employees who are working compressed work periods will receive credit for days in the following manner:
      
      i. 8 hours  1 day
      ii. 10 hours 1.25 days
      iii. 11 hours 1.375 days
      iv. 12 hours 1.5 days

2. Employees must request a personal leave day by notifying their supervisor a minimum of 24 hours in advance, unless it is an emergency and 24 hour notice is not possible. Personal leave will be granted taking into consideration business and staffing needs.

3. Personal days may not be banked for future use and any unused personal days will be forfeited at the end of the calendar year. Unused personal days will not be paid following the termination of employment.

3. To be eligible for holiday pay, employees will be required to be available or perform compensated service on the regularly scheduled work day before and after the holiday in order to qualify for said holiday pay. Excused absences will be considered to have met the eligibility requirements for holiday pay. For other than regularly assigned employees, work on eleven (11) of the proceeding thirty (30) calendar days will constitute eligibility for the holiday.

4. Employees who are required to perform compensated service on one of the recognized holidays will receive eight (8) hours of holiday pay at the straight time rate plus pay at one and one-half times their straight time rate for the hours worked on the holiday.

5. If an observed holiday falls on a Sunday, the day observed by the nation will be the day observed under this Agreement. 4. Bereavement leave will be approved in the absence of unusual operating requirements; however, it will be the responsibility of the employee to properly inform their manager of their need for this leave so appropriate arrangements can be made to protect the work.

5. Employees may, with prior approval of their managers, use available paid leave for additional paid time off to reasonably attend to matters associated with the family death.

RULE 21 – JURY DUTY

1. When employees are summoned for jury duty and, as a result, are required to lose time from their assignment, they shall be paid for actual time lost with a maximum of eight (8) hours pay at the straight time rate of their position for each work day lost less the amount paid by the Court for each work day served. This offset will exclude allowances paid by the courts for meals, lodging, or transportation.
2. Such employees must show the jury duty summons to their supervisor as soon as possible so that the supervisor has adequate time to make arrangements to accommodate their absence. Employees are expected to report for work whenever the court schedule permits.

3. Employees must exercise any right to secure exemption from the summons and/or jury duty service under federal, state, or municipal statute. Additionally, the Company may request that the Court permit the employee to be excused from jury duty if the employee’s absence would present serious operational difficulties.

2. All employees will be paid by direct deposit semimonthly, except for those “grandfathered” as described below. Each paycheck will include earnings for all work performed through the end of the previous payroll period, provided appropriate time records were timely and properly submitted and verified/approved by the payroll closing date. Direct deposit stubs are available electronically to all employees.

3. Employees who, as of September 2004, had paper checks mailed to them directly are “grandfathered” from the direct deposit requirements of this policy and will continue to have their checks mailed, unless they authorize direct deposit.

If the employee disputes the decision, he or his representative shall, within thirty (30) calendar days of the notification of physical disqualification, notify the Director Labor Relations in writing of an appeal and submit to the CMO a statement of medical evidence, including supporting tests, evaluation, physical notes and other pertinent medical documentation, if any, from the physician of the employee’s choice attesting to the employee’s meeting the Company’s physical standards with respect to matters on which the employee was found disqualified. This evaluation must include an assessment of the employee’s ability to perform the essential functions of the job.

b. Should the CMO continue to conclude that the employee does not meet the Company’s physical standards for the job; the CMO shall notify the employee in writing within fifteen (15) calendar days. If the CMO agrees that the employee meets the Company’s physical standards, the employee will be made whole for wages lost from the date on which sufficient medical evidence was received to make that decision.

2. Should the employee disagree with the CMO’s decision following the latter’s review of the medical evidence presented, he or his representative may, within fifteen (15) calendar days after receipt of the decision, request a three-doctor panel, which shall be established as promptly as possible after receipt of the employee’s request.

6. An employee returned to service on the basis of the decision of the three-doctor panel will be made whole as to wages lost due to disqualification in the event the three-doctor panel concludes the employee’s condition did not warrant disqualification.

If the CMO decision is that he remains not physically qualified, the employee may invoke again the procedures outlined hereinbefore except that the employee shall not do so earlier than ninety (90) calendar days after the decision of the three-doctor panel. If the physical condition of the employee improves to the extent the employee is found to meet the Company’s standards, the employee will be physically qualified to return to work but will not be made whole for loss of earnings incurred during the period of disability.

1. Employees in service more than one hundred twenty (120) calendar days shall not be disciplined or dismissed without an Admission of Responsibility or a fair and impartial hearing.

2. Written notice of hearing will be transmitted to the involved employee(s) not later than thirty (30) calendar
days following the date of occurrence or following first knowledge by the employee(s) supervising officer of the alleged incident/offense(s) to be investigated. The notice of the hearing will contain information sufficient to apprise the employee of the act or occurrence to be investigated as well as the date, time, and place of investigation. The notice of hearing will include the names of all witnesses known at the time of the notice that the Carrier intends to have in attendance. If the Carrier subsequently decides to call additional witnesses, the names of those witnesses will be provided to the employee and his representative as soon as the Carrier has knowledge of their pertinent testimony.

3. When practicable, the Company will make reasonable efforts to hold the investigation at a location that is near the employee’s assigned headquarters point or residence.

4. The investigation will be held not more than ten (10) working days from the date of the notice referenced in paragraph 2 above, unless postponed by mutual agreement of the Company and the General Chairman.

5. Employees may, in cases management determines to be serious (such as, but not limited to, use of intoxicants, misappropriation of Company property, insubordination, unsafe, inappropriate or violent conduct, etc.), be held out of service, without pay, pending such Admission of Responsibility or hearing.

6. If the findings of the hearing are that the employee is not at fault, he will be compensated for the basic day’s pay for each day lost at the scheduled wages of the employee’s last assignment, if any. In addition the employee will be reimbursed for actual reasonable and necessary expenses incurred for each day of the hearing.

7. Employees shall have reasonable opportunity to secure the presence of other witnesses who have facts material to the incident or occurrence under investigation and the Carrier may elect to call those witnesses if determined by the Carrier to have pertinent testimony. If the Carrier does not call such witnesses, the employee may call such witness at his own expense, subject to approval of the hearing officer.

8. Employees may be represented at the investigation by one designated Union representative who shall be permitted to be present during the entire hearing and ask questions relevant to the development of facts pertinent to the situation.

9. If the hearing results in an assessment of discipline, the employee, his representative, and the General Chairman will be provided notice of such discipline in writing, along with a copy of the hearing transcript, within thirty (30) calendar days of the date the investigation was completed unless extended by the mutual agreement of the Company and the General Chairman.

10. Should the disciplinary decision be appealed, it must be handled in accordance with the time line provisions of Rule 33 of this Agreement.

11. Notwithstanding the above, the Company may offer an “Admission of Responsibility,” or an employee or his designated Union representative may request an “Admission of Responsibility,” accepting responsibility for his/her actions or failure to act, accepting the assessment of discipline, and, thereby, waiving the formal investigation process. In such event, the employee will be advised of the discipline to be assessed prior to signing the Admission of Responsibility form (below).

12. In agreeing to a waiver of formal investigation, the employee, Union, and Company agree:

   a. The Admission of Responsibility form must be completed and signed by the charged employee and
the designated Company Manager.

b. The Admission of Responsibility procedure is entirely voluntary.

c. If the terms of the Admission of Responsibility are not agreed upon, no party may evidence the fact that Admission of Responsibility was offered or requested, the terms of the Admission of Responsibility, or discussions surrounding the offer/request in the formal investigation or in subsequent handling of the case, up to and including arbitration; provided, however, that this subparagraph (iii) will not preclude the entry of admissions, statements, or other evidence obtained outside the referenced Admission of Responsibility settlement discussions and otherwise admissible under arbitral rules of evidence.

d. A signed copy of the Admission of Responsibility form will be furnished the charged employee, his duly designated representative, and the Company Manager.

e. The discipline assessed and agreed to in connection with the Admission of Responsibility is not subject to appeal by the employee or his authorized representatives.

UNION SHOP AGREEMENT

IT IS AGREED:

Section 1.

In accordance with and subject to the terms and conditions hereinafter set forth this Union Shop Agreement ("Appendix"), all employees of the Dakota, Minnesota & Eastern Railroad ("Carrier" or "DM&E") now or hereafter subject to the rules and working conditions agreements between the parties hereto, except as hereinafter provided, shall, as a condition of their continued employment subject to such agreements, become members of the organization party to this Appendix ("BMWED") representing their craft or class within sixty (60) calendar days of the date they first perform compensated service as such employees after the effective date of this Appendix, and thereafter shall maintain membership in such organization; except that such membership shall not be required of any individual until he has performed compensated service on thirty (30) days within a period of twelve (12) consecutive calendar months. Nothing in this Appendix shall alter, enlarge or otherwise change the coverage of the present or future rules and working conditions agreements.

Section 2.

This Appendix shall not apply to employees while occupying positions which are excepted from the bulletining and displacement rules of the individual agreements, but this provision shall not include employees who are subordinate to and report to other employees who are covered by this Appendix. However, such excepted employees are free to be members of the organization at their option.

Section 3.

A. Employees who retain seniority under these working agreements who are regularly assigned or transferred to full time employment not covered by such agreements, or who, for a period of thirty (30) calendar days or more, are (1) furloughed on account of force reduction, or (2) on leave of absence, or (3) absent on account of sickness or disability, will not be required to maintain membership as provided in Section 1 of this Appendix so long as they remain in such other employment, or furloughed or absent as herein provided, but they may do so at their option. Should such employees return to any service covered by the said rules and working conditions agreements and continue therein thirty (30) calendar days or more, irrespective of the number of days actually worked during that period, they shall, as a condition of their continued employment subject to such agreements, be required to become and remain members of the organization representing their class or craft within thirty-five (35) calendar days from date of their return to such service.

B. The seniority status and rights of employees furloughed to serve in the Armed Forces or granted leaves of absence to engage in studies under an educational aid program sponsored by the federal government or a state government for the benefit of ex-servicemen shall not be terminated by reason of any of the provisions of this Appendix but such employees shall, upon resumption of employment, be considered as new employees for the purposes of applying this Appendix.

C. Employees who retain seniority under the working agreements and who, for reasons other than those specified in subsections A and B of this section, are not in service covered by such agreements, or leave such service, will not be required to maintain membership as provided in Section 1 of this Appendix so long as they are not in service covered by such agreements, but they may do so at their option. Should such employees return to any service covered by the said rules and working conditions agreements they
shall, as a condition of their continued employment, be required, from the date of return to such service, to become and remain members in the organization representing their class or craft.

D. Employees who retain seniority under the working agreements, who are members of an organization signatory hereto representing that class or craft and who in accordance with the rules and working conditions agreement of that class or craft temporarily perform work in another class of service shall not be required to be members of another organization party hereto whose agreement covers the other class of service until the date the employees hold regularly assigned positions within the scope of the agreement covering such other class of service.

Section 4.

Nothing in this Appendix shall require an employee to become or to remain a member of the organization if such membership is not available to such employee upon the same terms and conditions as are generally applicable to any other member, or if the membership of such employee is denied or terminated for any reason other than the failure of the employee to tender the periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership. For purposes of this Appendix, dues, fees, and assessments, shall be deemed to be "uniformly required" if they are required of all employees in the same status at the same time in the same organizational unit.

Section 5.

A. Each employee covered by the provisions of this Appendix shall be considered by DM&E to have met the requirements of the Appendix unless and until DM&E is advised to the contrary in writing by the organization. The organization will notify DM&E in writing by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt, of any employee who it is alleged has failed to comply with the terms of this Appendix and who the organization therefore claims is not entitled to continue in employment subject to this Appendix. The form of notice to be used shall be agreed upon by DM&E and the BMWED and the form shall make provision for specifying the reasons for the allegation of non-compliance. Upon receipt of such notice, DM&E will, within ten (10) calendar days of such receipt, so notify the employee concerned in writing by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt. Copy of such notice to the employee shall be given to BMWED. An employee so notified who disputes the fact that he has failed to comply with the terms of this Appendix, shall within a period of ten (10) calendar days from the date of receipt of such notice, request DM&E in writing by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt, to accord him a hearing. Upon receipt of such request DM&E shall set a date for hearing which shall be held within ten (10) calendar days of the date of receipt of request therefor. Notice of the date set for hearing shall be promptly given the employee in writing with copy to BMWED, by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt. A representative of BMWED shall attend and participate in the hearing. The receipt by DM&E of a request for a hearing shall operate to stay action on the termination of employment until the hearing is held and the decision of DM&E is rendered.

B. In the event the employee concerned does not request a hearing as provided herein, DM&E shall proceed to terminate his seniority and employment under this Appendix not later than thirty (30) calendar days from receipt of the above described notice from the organization, unless DM&E and BMWED agree otherwise in writing.

C. DM&E shall determine on the basis of the evidence produced at the hearing whether or not the employee has complied with the terms of this Appendix and shall render a decision within twenty (20) calendar days from this date that the hearing is closed, and the employee and the organization shall be promptly advised thereof in writing by Registered Mail, Return Receipt Request.
D. If the decision is that the employee has not compiled with the terms of this Appendix, his seniority and employment under the working agreement shall be terminated within twenty (20) calendar days of the date of said decision except as hereinafter provided or unless DM&E and BMWED agree otherwise in writing.

E. If the decision is not satisfactory to the employee or to the organization it may be appealed in writing, by Registered Mail, Return Receipt Requested, directly to the highest officer of DM&E designated to handle appeals under this Appendix. Such appeals must be received by such officer within ten (10) calendar days of the date of the decision appealed from and shall operate to stay action on the termination of seniority and employment, until the decision on appeal is rendered. DM&E shall promptly notify the other party in writing of any such appeal, by Registered Mail, Return Receipt Requested. The decision on such appeal shall be rendered within twenty (20) calendar days of the date the notice of appeal is received, and the employee and the organization shall be promptly advised thereof in writing by Registered Mail, Return Receipt Requested.

F. If the decision on such appeal is that the employee has not complied with the terms of this Appendix, his seniority and employment under the working agreement shall be terminated within twenty (20) calendar days of the date of said decision unless selection of a neutral is requested as provided below, or unless the Carrier and the organization agree otherwise in writing. The decision on appeal shall be final and binding unless within ten (10) calendar days from the date of the decision the organization or the employee involved requests the selection of a neutral person to decide the dispute as provided in Section 5 (c) below. Any request for selection of a neutral person as provided in Section 5 (c) below shall operate to stay action on the termination of seniority and employment until not more than ten (10) calendar days from the date decision is rendered by the neutral person.

G. If within ten (10) calendar days after the date of a decision on appeal by the highest officer of the Carrier designated to handle appeals under this Appendix, the organization or the employee involved requests such highest officer in writing by Registered Mail, Return Receipt Requested, that a neutral be appointed to decide the dispute, a neutral person to act as sole arbitrator to decide the dispute shall be selected by the highest officer of the Carrier designated to handle appeals under this Appendix or his designated representative, the General Chairman of the organization or his designated representative, and the employee involved or his representative. If they are unable to agree upon the selection of a neutral person any one of them may request the Chairman of the National Mediation Board in writing to appoint such neutral. The Carrier, the organization and the employee involved shall have the right to appear and present evidence at a hearing before such neutral arbitrator. Any decision by such neutral arbitrator shall be made within thirty (30) calendar days from the date of receipt of the request for his appointment and shall be final and binding upon the parties. The Carrier, the employee and the organization shall be promptly advised thereof in writing by Registered Mail, Return Receipt Requested. If the position of the employee is sustained, the fees, salary and expenses of the neutral arbitrator shall be borne in equal shares by the Carrier and the organization; if the employee's position is not sustained, such fees, salary and expenses shall be borne in equal shares by the Carrier, the organization and the employee.

H. The time periods specified in this section may be extended in individual cases by written agreement between the Carrier and the organization.

I. Provisions of investigation and discipline rules contained in the working agreement will not apply to cases arising under this Appendix.

J. BMWED's General Chairman shall notify the Carrier in writing of the title(s) and address(es) of its representatives who are authorized to serve and receive the notices described in this Appendix. The Carrier shall notify the BMWED General Chairman in writing of the title(s) and address(es) of its representatives who are authorized to receive and serve the notices described in this Appendix.
K. In computing the time periods specified in this Appendix, the date on which a notice is received or decision rendered shall not be counted.

Section 6.

Other provisions of this Appendix to the contrary notwithstanding, DM&E shall not be required to terminate the employment of an employee until such time as a qualified replacement is available. The Carrier may not, however, retain such employee in service under the provisions of this section for a period in excess of sixty (60) calendar days from the date of the last decision rendered under the provisions of Section 5, or ninety (90) calendar days from date of receipt of notice from BMWED in cases where the employee does not request a hearing. The employee whose employment is extended under the provisions of this section shall not, during such extension, retain or acquire any seniority rights. The position will be advertised as vacant under the bulletining rules of the respective working agreement but the employee may remain on the position he held at the time of the last decision, or at the date of receipt of notice where no hearing is requested pending the assignment of the successful applicant, unless displaced or unless the position is abolished. The above periods may be extended by agreement between DM&E and BMWED.

Section 7.

A. An employee whose seniority and employment under the working agreement is terminated pursuant to the provisions of this Appendix or whose employment is extended under Section 6 shall have no time or money claims by reason thereof.

B. If the final determination under Section 5 of this Appendix is that an employee's seniority and employment shall be terminated, no liability against DM&E in favor of BMWED or other employees based upon an alleged violation, misapplication or non-compliance with any part of this Appendix shall arise or accrue during the period up to the expiration of the sixty (60) or ninety (90) day periods specified in Section 6, or while such determination may be stayed by a court, or while a discharged employee may be restored to service pursuant to judicial determination. During such periods, no provision of any other agreement between the parties hereto shall be used as the basis for a grievance or time or money claim by or on behalf of any employee against the Carrier predicated upon any action taken by DM&E in applying or complying with this Appendix or upon an alleged violation, misapplication or non-compliance with any provision of this Appendix. If the final determination under Section 5 of this Appendix is that an employee's employment and seniority shall not be terminated, his continuance in service shall give rise to no liability against DM&E in favor of BMWED or other employees based upon an alleged violation, misapplication or non-compliance with any part of this Appendix.

Section 8.

In the event that seniority and employment under this Appendix is terminated by the Carrier under the provisions of this Appendix, and such termination of seniority and employment is subsequently determined to be improper, unlawful, or unenforceable, BMWED shall indemnify and save harmless DM&E against any and all liability arising as the result of such improper, unlawful or unenforceable termination of seniority and employment; provided, however, that this section shall not apply to any case in which DM&E is the plaintiff or the moving party in the action in which the aforesaid determination is made or in which case DM&E acts in collusion with any employee; provided further, that the aforementioned liability shall not extend to the expense to DM&E in defending suits by employees whose seniority and employment are terminated by the Carrier under the provisions of this Appendix.
Section 9.

An employee whose employment is terminated as a result of non-compliance with the provisions of this Appendix shall be regarded as having terminated his employee relationship for vacation purposes.

Section 10.

A. DM&E shall periodically deduct from the wages of employees subject to this Appendix periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership in BMWED, and shall pay the amount so deducted to such officer of BMWED as BMWED shall designate: Provided, however, that the requirements of this subsection (a) shall not be effective with respect to any individual employee until he shall have furnished DM&E with a written assignment to the organization of such membership dues, initiation fees and assessments, which assignment shall be revocable in writing after the expiration of one year or upon the termination of this Appendix whichever occurs sooner.

B. The provisions of subsection A of this section shall not become effective unless and until DM&E and BMWED shall, as a result of further negotiations pursuant to the recommendations of Emergency Board No. 98, agree upon the terms and conditions under which such provisions shall be applied; such agreement to include, but not be restricted to, the means of making said deductions, the amounts to be deducted, the form, procurement and filing of authorization certificates, the frequency of deductions, the priority of said deductions with other deductions now or hereafter authorized, the payment and distributions of amounts withheld and any other matters pertinent thereto.

Section 11.

A. This Appendix shall become effective on same date as of the collective bargaining agreement of which it is a part in accordance with the provisions of Rule 36 of the collective agreement. This Appendix shall remain in effect until modified or changed in accordance with the provisions of the Railway Labor Act, as amended.
DUES DEDUCTION AGREEMENT

IT IS AGREED by and between the Dakota, Minnesota & Eastern Railroad ("DM&E") and the employees represented by the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters ("BMWED" or "Brotherhood") that the following shall govern deductions made from wages subsequent to the effective date of this Appendix.

Section 1.

A. Subject to the terms and conditions of this Appendix, DM&E shall deduct without cost to BMWED or affected employees sums for periodic dues, initiation fees and assessments (not including fines and penalties), which are uniformly required as a condition of acquiring or retaining membership in the Brotherhood and which are payable to the Brotherhood by members of the Brotherhood from wages due and payable to said members, from wages earned by them as maintenance of way employees of DM&E upon the written and unrevoked authorization of a member in the form agreed upon by the parties hereto, copy of which is attached and made a part hereof, designated as Form "A". The signed authorization may, in accordance with its terms, be revoked in writing at any time after the expiration of one year from the date of its execution, or upon the termination of this Appendix, or upon the termination of the collective bargaining agreement between the parties hereto, whichever occurs sooner. Revocation of the authorization shall be in the form agreed upon by the parties hereto, copy of which is attached and made a part hereof, designated as Form "B".

B. The Authorization Form "A" and the Revocation of Authorization Form "B" shall be reproduced and furnished as necessary by the Brotherhood without cost to the DM&E. The Brotherhood shall assume full responsibility for the procurement and execution of said forms by employees and for the delivery of said forms to DM&E.

Section 2.

A. The General Chairman of the Brotherhood will supply DM&E with an alphabetized list for each affected local lodge which will contain, in addition to the name, the Social Security Number and the amount to be deducted from the wages of each employee. The list will conform to Form "C".

B. After the initial list has been organized, changes will be made in the following manner:

1. A list containing additions, changes in amount of money to be deducted (which may not be changed more often than once every three months) or changes in lodge number shall be furnished to DM&E by the Brotherhood at least thirty (30) calendar days in advance of the date the payroll deduction will be made. This list will conform to Form "D". If the list contains the names of employees not previously covered by the Appendix, a copy of their Form "A" will be attached.

2. A list containing the names of employees who have revoked their deduction authorization, together with a copy of their Form "B", shall be furnished to DM&E by the Brotherhood at least thirty (30) calendar days in advance of the date on which the next payroll deduction is to be made. This list will conform to Form "E".
Section 3.

Deductions as provided herein will be made monthly from the wages earned in the first payroll period of each month.

Section 4.

A. The following will have priority over deductions in favor of the Brotherhood as covered by this Appendix:

1. Federal, State and Municipal taxes and other deductions required by law, including garnishment and attachments.

2. Premiums on life insurance, hospital-surgical insurance, group accident or health insurance or group annuities.

3. Amount due the Carrier for supplies or material furnished and monies paid out on behalf of the employee.

B. No deduction will be made from the wages of any employee who does not have due him for the pay period specified an amount equal to the sum to be deducted in accordance with this Appendix.

Section 5.

DM&E shall remit to the officer designated by the Brotherhood the amounts deducted from the wages of members who have authorized such deductions once each month but not later than the twenty-fifth (25th) day of the month following the month in which deductions are made. The remittance will be accompanied by alphabetical deduction lists (in triplicate) for each local lodge. Such lists will include the employee's name, Social Security Number and the amount of union dues deducted from the pay of each employee.

Section 6.

Any questions arising as to the correctness of the amount deducted shall be handled between the employee involved and the Brotherhood, and any complaints in connection therewith shall be handled by the Brotherhood on behalf of the employee concerned.

Section 7.

This Appendix shall not be used in any manner, either directly or indirectly, as a basis for a grievance of time claim by, or in behalf of, an employee predicated upon any alleged violation or misapplication of, or non-compliance with, any part of this Agreement.

Section 8.

Except for remitting to the Brotherhood the monies deducted from the wages of employees, the Brotherhood shall indemnify, defend and save harmless the Carrier from any and all claims, demands, liability, losses or damage resulting from the entering into and the complying with the provisions of this Agreement.

Section 9.

This Appendix shall become effective on the same date as the rules of the collective bargaining agreement of which it is a part. This Appendix shall remain in effect until modified or changed in accordance with the provisions of the Railway Labor Act, as amended.

The Dakota, Minnesota & Eastern Railroad (“DM&E”) and the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters (“BMWED” or “Brotherhood”) hereby amend Appendix B to provide for the deduction of employees’ voluntary political contributions on the following terms and bases:

1. Subject to the terms and conditions hereinafter set forth, DM&E will deduct from the wages of employees voluntary political contributions upon their written authorization in Attachment A to this Appendix, copy of which is attached, designated "Attachment A" and made a part hereof.

2. Voluntary political contributions will be made monthly from the compensation of employees who have executed a written authorization providing for such deductions. The first such deduction will be made in the month following the month in which the authorization is received. Such authorization will remain in effect for a minimum of twelve (12) months and thereafter until cancelled by thirty (30) calendar days advance written notice from the employee to the Brotherhood and the Carrier by Registered Mail. 6. The requirements of this Agreement shall not be effective with respect to any individual employee until the employer has been furnished with a written authorization of assignment of wages of such monthly voluntary political contribution, and will be subject to the same limitations as contained in Appendix B, Section 4 to this Agreement.

b. **Medical and Hospital Care**

DM&E will provide payment for the actual expense of medical and hospital care commencing within 120 days after an accident covered under paragraph 1 of injuries incurred as a result of such accident, subject to limitation of $3,000 for any employee for any one accident, less any amounts payable under DM&E provided health and welfare plans.

c. **Time Loss**

DM&E will provide an employee who is injured as a result of an accident covered under paragraph 1 hereof and who is unable to work as a result thereof, commencing within 30 days after such accident, 80% of the employee’s basic full-time weekly compensation from DM&E for time actually lost, subject to a maximum payment of $1,000.00 per week for time lost during a period of 156 continuous weeks following such accident provided, however, that such weekly payment shall be reduced by such amounts as the employee is entitled to receive as sickness benefits under provisions of the Railroad Unemployment Insurance Act.

d. **Aggregate Limit**

The aggregate amount of payments to be made hereunder is limited to $10,000,000 for any one accident and DM&E shall not be liable for any amount in excess of $10,000,000 for any one accident irrespective of the number of injuries or deaths which occur in or as a result of such accident. If the aggregate amount of payments otherwise payable hereunder exceeds the aggregate limit herein provided, the Carrier shall not be required to pay as respects each separate employee a greater proportion of such payments than the aggregate limit set forth herein bears to the aggregate amount of all such payments.

3. **Payment in Case of Accidental Death:**

Payment of the applicable amount for accidental death shall be made to the employee’s personal representative for the benefit of the persons designated in, and according to the apportionment required by the Federal Employers Liability Act (45 U.S.C. 51 et seq., as amended), or if no such person survives the employee, for the benefit of his estate.

4. **Exclusions:**

Benefits provided under paragraph 2 shall not be payable for or under any of the following conditions:

a. Intentionally self-inflicted injuries, suicide or any attempt thereof, while sane or insane;

b. Declared or undeclared war or any act thereof;

c. Illness, disease, or any bacterial infection other than bacterial infection occurring in consequence of an accidental cut or wound;

d. Accident occurring while the employee driver is under the influence of alcohol or drugs, or if an employee passenger who is under the influence of alcohol or drugs in any way contributes to the cause of the accident;

e. While an employee is a driver or an occupant of any conveyance engaged in any race or speed
test;

f. While an employee is commuting to and/or from his residence or place of business.

5. **Offset:**

   It is intended that this Appendix is to provide a guaranteed recovery by an employee or his personal representative under the circumstances described, and that receipt of payment thereunder shall not bar the employee or his personal representative from pursuing any remedy under the Federal Employers Liability Act or any other law; provided, however, that any amount received by such employee or his personal representative under this Article may be applied as an offset by the railroad against any recovery so obtained.

6. **Subrogation:**

   DM&E shall be subrogated to any right of recovery an employee or his personal representative may have against any party for loss to the extent that the Carrier has made payments pursuant to this Appendix.

The payments provided for above will be made, as above provided, for covered accidents on or after the effective date of the collective bargaining agreement.

It is understood that no benefits or payments will be due or payable to any employee or his personal representative unless such employee, or his personal representative, as the case may be, stipulates as follows:

"In consideration of the payment of any of the benefits provided in this Appendix, (employee or personal representative) agrees to be governed by all of the conditions and provisions said and set forth by this Appendix."

Dear Mr. Morrow

In recognition of the parties agreeing to a wage increase of 3% January 1, 2010, January 1, 2011, and additional 3% effective January 1, 2012, the Carrier will make all reasonable efforts to pay the retroactive portions of such general wage increases no later than sixty (60) days from notification of ratification of this Agreement.

If the Carrier finds it impossible to make such payments by that date, the Carrier shall notify you in writing explaining why such payments have not been made and indicating when the payments will be made.

Re: Banked Vacation as of January 1, 2010

Dear Mr. Morrow:

This will confirm our understanding with regard to any vacation an employee covered by this Agreement had banked prior to January 1, 2010.

Employees with banked vacation days will be required to use a minimum of 2 weeks of their banked vacation in 2012.

Employees will be compensated for any outstanding banked vacation days remaining as of December 31, 2012. These employees will be paid out at 75% of the pay rate in effect at that time. In addition, an employee leaving prior to December 31, 2012 will be paid out any outstanding banked vacation at 75% of the current pay rate with the understanding that any banked vacation taken within the 6 months prior to their leaving will be adjusted to 75% of the pay rate then in effect. This adjustment will be reflected in their final pay.

Please indicate your concurrence by signing in the space provided below.

Sincerely,

Re: 2012 Collective Bargaining Agreement Settlement

Dear Mr. Morrow:

The foregoing changes are in full settlement of all requests eligible to have been served by and upon the Company and the Union signatory hereto.

Employees must be in active service on the date of ratification in order to receive the entitlements contained in this agreement. Employees who retired or died subsequent to January 1, 2012, and prior to the effective date of this Agreement will receive retroactive pay computed in the same manner as active employees up to the time of their retirements or death.

Effective the date of ratification, employees that have resigned, been dismissed from service, had their employment file closed or otherwise terminated their employment relationship, will not receive the entitlements contained in this agreement.

An employee subsequently reinstated to service will, upon reinstatement, be entitled to the benefits contained in this agreement, providing the reinstatement provides for lost compensation for the period of time out of service.

It is understood that this Memorandum of Settlement is subject to ratification by the employees in the bargaining unit and shall constitute a binding collective agreement only when written notice of such ratification is communicated to the Company by the Union. Should this Memorandum of Settlement fail to ratify, the parties reserve the right to add to, revise, modify, substitute, amend or withdraw any of the negotiating issues, or introduce new issues for discussion.

Where no implementation dates are indicated, the implementation date shall be the first of the month following ratification.

Please indicate your concurrence by signing in the space provided below.

Sincerely,

Rick Wilson
AVP Industrial Relations
