When employees of the proper seniority class are not available for emergency work of short duration, helpers and laborers may be used for any class of work. RULE 5
ESTABLISHMENT OF SENIORITY

Seniority Districts
The Seniority District for Utah Railway Employees as listed in Rule 3 of this Agreement shall be restricted to the track and locations as identified in Timetable No. 103 Dated July 15, 2004.

When Established

(a) Seniority shall begin as of the date of the assignment notice after an employee has begun work on a bulletined position for which he is the successful bidder. No employee shall establish a seniority date as a result of working in a position which has not been bulletined in accordance with Rule 10, except an employee hired to fill a bulletined position on which no employee has bid shall establish seniority from the date his pay starts.

(b) An employee in other than the Bridge and Building subdepartment who accepts and qualifies for a position in a higher class will thereby establish seniority not previously established in all lower classes in the sub department.
An employee who voluntarily relinquishes, in writing to the Manager of Maintenance of Way with a copy to the General Chairman, a position in a higher class and exercises his seniority rights on a lower class position within the same sub department will forfeit his seniority in all classes above the class in which he elects to place himself.
An employee of the Bridge and Building subdepartment who accepts and qualifies for a position above the class of Helper, will, if he has not previously done so, also establish seniority as a Helper. To establish seniority in the intervening classes in the Bridge and Building subdepartment assignments must be attained in accordance with the provisions of Rule 10.

(c) Where two or more employees enter the service on the same day in the same class and seniority district; their numerical listing on the seniority district will be determined in the following order:
Preference shall be given to the employee who first drew compensation in the class. Where date of drawing compensation in the class is identical, preference shall be given to the employee with the greatest length of service in the subdepartment. If there has been no previous service in the subdepartment, the length of service
under this Agreement shall govern. 
If there has been no service as provided above, rank shall be fixed in alphabetical order.

RULE 6
VALIDATING RECORDS

Applications for employment will be rejected within sixty (60) calendar days from the date of hire, or applicant shall be considered accepted. Applications rejected by the carrier must be declined in writing to the applicant. SECTION V

Assignment of Truck Drivers

(a) A Truck Driver may be required to perform service on more than one class of work under the provisions of Rule 30 - "Composite Service" - in the subdepartment of the Maintenance of Way Department to which the position is assigned. For example, Truck Drivers may be required to perform service in any other capacity during days or portions of days when not engaged in work as a Truck Driver.

(b) A Truck Driver must procure, at his own expense, a license as a chauffeur that is valid for the localities where he will operate a company truck.

(c) Except as may be otherwise stated herein, all rules of this Agreement are applicable to positions of Truck Driver.

(d) There will be no separate seniority dates for Truck Drivers as such Seniority rights of a Track Department Truck Driver will be governed by his seniority date as track laborer.

QUESTIONS & ANSWERS
Q.1  When force reduction is made should the incumbent of the position of Truck Driver be included in such force reduction?

A.1  Force reduction is accomplished by abolishing jobs and the junior men in jobs of the same class are the first to be furloughed. Positions of Truck Driver constitute a separate work classification to which assignments are made but they are not placed in separate seniority groups. Therefore, a Truck Driver is subject to displacement by a senior, qualified employee of the same seniority class (i.e., either section laborer or B&B helper). However, if reduction in force takes place and a position of Truck Driver in a seniority district is not abolished, the employee who is regularly assigned to the position will be retained therein until displaced by a senior qualified employee, even though he is the junior man in that seniority district.

Q.2  If an employee assigned to a position of Truck Driver happens to be the senior man in the gang to which he is attached and call work is required under conditions where the track is not needed, will such Truck Driver be used for such call work on a gang seniority basis?

A.2  Gang seniority would prevail. If call work service requires the use of the truck, the incumbent of the assignment to that position will be used regardless of his gang seniority. If there be two or more assignments to positions of Truck Driver on the same seniority district, the senior available man will be called if a truck is required for the performance of call work.

SECTION VI

Assignment to Machine Operator Positions

(a) Positions of operators of Weed Mowers will be bulletined to and filled from the ranks of employees holding seniority in the Track. Subdepartment.

(b) Weed Sprayers will be protected by the senior qualified employee in the Track Department. In the event there are no qualified employees, other qualified Maintenance of Way forces will be used.

(c) Operators of track gang machines shall be selected from the ranks of section gang laborers on the gang involved.

RULE 11

FORCE REDUCTION

SECTION I

Notice of Force Reduction

(a). Force reduction shall not be made nor will positions be abolished until the employees affected have been given at least five (5) working days advance notice.

Notices of force reduction if given orally will be promptly confirmed in writing. When such notice applies to two (2) or more employees in a gang it may be posted at the headquarters where bulletin boards are maintained for such purposes. At the same time as notice is given, the officer making the reduction will list name, classification, seniority and location of employees retained in service on the individual’s seniority district so that seniority may be exercised without unnecessary loss of time.

(b) Except as provided in paragraph (a) hereof, rules, agreements or practices, however established, that require advance notice to employees before temporarily abolishing positions or making temporary force reductions are hereby modified to eliminate any requirement for such notice under emergency conditions, such as flood, snow storm, hurricane, tornado, earthquake, fire, or a labor dispute other than as defined in paragraph (a) hereof,
provided that such conditions result in suspension of a carrier's operations in whole or in part. It is understood and agreed that such temporary force reductions will be confined solely to those work locations directly affected by any suspension of operations. It is further understood and agreed that notwithstanding the foregoing, any employee who is affected by such an emergency force reduction and reports for work for his position without having been previously notified not to report, shall receive four hours' pay at the applicable rate for his position. If an employee works any portion of the day he will be paid in accordance with existing rules.

(c) Gangs shall not be laid off for short periods when proper reduction of expenses can be accomplished by first laying off junior employees.

(d) When forces are reduced the senior qualified employees in each class and each subdepartment shall be retained.

SECTION II

Exercising Seniority

(a) An employee, when affected by force reduction, abolishment of position or displacement from position, may exercise seniority over employees on other seniority rosters in which he holds seniority.

(b) Employees whose positions are abolished or other employees affected as a result thereof may exercise their seniority rights over junior employees on temporary positions or vacancies in preference to a regular assignment and at the conclusion of the temporary assignment they may exercise their seniority rights over junior employees on a regular position within ten (10) calendar days.

(c) In the application of the above, if, while an employee is working on a temporary assignment his regular assigned position is abolished or he is displaced there from by a senior employee, he will not be required to place himself on another regular assignment until the conclusion of temporary assignment.

(d) All displacements must be made within ten (10) calendar days from the date the employee loses his position, except that an employee losing his position while sick, on leave of absence or vacation shall be allowed ten (10) calendar days to exercise displacement following his return.

(e) Employees who do not exercise their seniority rights in accordance with the above or within the prescribed time limit will be considered as furloughed employees and will be governed by the provisions of Section III of this Rule and Rule 12.

Temporarily Absent

(i) If an employee becomes ill, is granted leave of absence or vacation immediately following the loss of his position and as a result is prevented from making physical displacement, such employee shall in writing notify the appropriate Company officer with copy to the Local Chairman and General Chairman of the Brotherhood within ten (10) calendar days from the date of loss of position his election as to displacement, and such declaration shall protect the employee against the ten (10) calendar day limit. An employee holding a position designated as intended displacement by such absent employee shall not be considered as having lost his position until he is physically displaced.

Retaining Seniority in Higher Class

(j) An employee who exercises displacement rights in a lower class in accordance with the provisions of this rule shall retain and accumulate seniority rights in such higher class or classes. He must, however, avail himself
of every opportunity to return to service in such higher class or classes. Failure to return to service in a higher
class when recalled, except in case of sickness, will result in loss of seniority in the class recalled.

SECTION III

Filing Address

(a). Employees cut off in force reduction desiring to avail themselves of the right to recall will file their name
and address in writing within fifteen (15) calendar days from the date cut off in force reduction and keep Carrier
advised of any address changes. This information shall be filed with the GWRR Manager of Human Resources
with copy to General Chairman.

(b) Section laborers cut off in force reduction will be permitted, when they file their name and address as
required by Rule 11(c), to advise that they are available for recall to service only to the section on which they
last worked and/or to the sections adjoining that section without loss of seniority rights.

(c) Section laborers cut off in force reduction who do not restrict their recall to specific sections as set forth
above will be recalled in seniority order as required by Rule 12 for all vacancies or new positions on their
seniority district.

(d) A junior section Laborer who has restricted his recall rights to certain sections will not have preference to
recall to those sections over senior employees who have not restricted their recall rights.

(e) Section laborers desiring to be recalled to work in accordance with Rule 12 after having restricted their
recall to specific sections will be permitted to rescind these restrictions upon 48 hours written notice to the
Manager of Maintenance of Way with copy to the General Chairman.

RULE 12
RECALL TO SERVICE

(a) When forces are increased or vacancies occur, including temporary vacancies of thirty (30) calendar days or
more duration created by absence of a regularly assigned employee account sickness, leave of absence, etc., and
assignments pending bulletin, applications then pending for transfer to the vacancy and/or employees who have
been cut off in force reduction or forced to displace in a lower class will be recalled to service in seniority order.

(b) Off in force reduction employees recalled to service shall be notified of their recall in writing by telegram,
registered or certified mail to the last known address and must report for service within fifteen (15) calendar
days from date recalled. Failure to respond to recall within such fifteen (15) calendar day period will result in
the forfeiture of all seniority rights.

(c) Positions may be filled temporarily by the senior available employee pending the return to service of the
senior employee.

(d) Employees who are returned to service pending outcome of bulletin may express their desire for positions(s)
by making bid application. If the employee recalled fails to make bid application, a junior employee may be
assigned to the position. In the event no bid applications are received from junior employees, the employee
recalled will be assigned to the position. If an employee other than the employee recalled is assigned to a
position, the employee recalled to service may displace any junior employee in his seniority district called back
or after the date he was recalled. If there are no junior employees he can displace, he will return to a
furloughed status.

Page 11
RULE 13
STATUS AFTER RETURNING FROM VACATION, SICK LEAVE OR OTHER AUTHORIZED LEAVE OF ABSENCE OR FORCE REDUCTION

An employee on vacation, sick leave or other authorized leave of absence, or force reduction may displace a junior employee from an assignment secured by bulletin that was posted and closed during the absence of the senior employee provided he does so within five (5) calendar days upon reporting back for service.

Employees so affected will exercise their seniority in the same manner.

In the event a junior employee has secured an assignment by bulletin that was posted and closed during the absence of the senior employee in a higher class in the same subdepartment and district as the senior employee, the senior employee may displace the junior employees, qualifications allowing, provided he does so within five (5) calendar days upon reporting back for service.

UNION SHOP

Section 1.

In accordance with and subject to the terms and conditions hereinafter set forth, all employees of this carrier now or hereafter subject to the rules and working conditions agreements between the parties hereto, except as hereinafter provided, shall, as a condition of their continued employment subject to such agreements, become members of the organization party to this Agreement representing their craft or class within sixty calendar days of the date they first perform compensated service as such employees after the effective date of this Agreement, and thereafter shall maintain membership in such organization; except that such membership shall not be required of any individual, until he has performed compensated service on thirty days within a period of twelve consecutive calendar months. Nothing in this Agreement shall alter, enlarge, or otherwise change the coverage of the present or future rules and working conditions agreements.

Section 2.

This Agreement shall not apply to employees while occupying positions which are accepted from the bulletining and displacement rules of the individual agreements, but this provision shall not include employees who are subordinate to and report to other employees who are covered by this Agreement. However, such excepted employees are free to be members of the organization at their option.

Section 3.

Employees who retain seniority under the Rules and Working Conditions Agreements governing their class or craft and who are regularly assigned or transferred to fill time employment not covered by such agreements, or who, for a period of thirty days or more, are (1) furloughed on account of force reduction, or (2) on leave of
absence, or (3) absent on account of sickness or disability, will not be required to maintain membership as provided in Section 1 of this Agreement so long as they remain in such other employment, or furloughed or absent as herein provided, but they may do so at their option. Should such employees return to any service covered by the said Rules and Working conditions Agreements and continue therein thirty calendar days or more, irrespective of the number of days actually worked during that period, they shall, as a condition of their continued employment subject to such agreements, be required to become and remain members of the organization representing their class or craft within thirty-five calendar days from date of their return to such service.

(b) The seniority status and rights of employees furloughed to service in the Armed Forces or granted leaves of absence to engage in studies under an educational aid program sponsored by the federal government or a state government for the benefit of ex-service men shall not be terminated by reason of any of the provisions of employment, be considered as new employees for the purposes of applying this Agreement.

(c) Employees who retain seniority under the rules and working conditions agreements governing their class or craft and who, for reasons other than those specified in subsections (a) and (b) of this section, are not in service covered by such agreements, or leave such service, will not be required to maintain membership as provided in Section 1 of this Agreement so long as they are not in service covered by such agreements, but they may do so at their option. Should such employees return to any service covered by the said rules and working conditions agreements they shall, as a condition of their continued employment, be required, from the date of return to such service, to become and remain members in the organization representing their class or craft.

(d) Employees who retain seniority under the rules and working conditions agreements of their class or craft, who are members of an organization signatory hereto representing that class or craft and who in accordance with the rules and working conditions agreement of that class or craft temporarily perform work in another class of service shall not be required to be members of another organization party hereto whose agreement covers the other class of service until the date the employees hold regularly assigned positions within the scope of the agreement covering such other class of service.

Section 4.

Nothing in this Agreement shall require an employee to become or to remain a member of the organization if such membership is not available to such employee upon the same terms and conditions as are generally applicable to any other member, or if the membership of such employee is denied or terminated for any reason other than the failure of the employee to tender the periodic dues, initiation fees, and assessment (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership. For purposes of this Agreement, dues, fees, and assessments shall be deemed to be "uniformly required" if they are required of all employees in the same status at the same time in the same organizational unit.

Section 5.

(a) Each employee covered by the provisions of this Agreement shall be considered a carrier to have met the requirements of the agreement unless and until such carrier is advised to the contrary in writing by Registered or Certified Mail, Return Receipt Requested, or by personal delivery evidenced by receipt, of any employee who it is alleged has failed to comply with the terms of this Agreement and who the organization therefore claims is not entitled to continue in employment subject to the Rules and Working Conditions Agreement. The form of notice to be used shall be agreed upon by the individual railroad and the organizations involved and the form shall make provision for specifying the reasons for the allegation of noncompliance. Upon receipt of such notice, the carrier will, within ten calendar days of such receipt, so notify the employee concerned in writing by Registered or Certified Mail, Return Receipt Requested, or by personal delivery evidenced by receipt. Copy of such notice to the employee shall be given the organization. An employee so
notified who disputes the fact that he has failed to comply with the terms of this Agreement, shall within a period of ten calendar days from the date of receipt of such notice, request the carrier in writing by Registered or Certified Mail, Return Receipt Requested, or by personal delivery evidenced by receipt, to accord him a hearing. Upon receipt of such request the carrier shall set a date for hearing which shall be held within ten calendar days of the date of receipt of request thereof. Notice of the date set for hearing shall be promptly given the employee in writing with copy to the organization, by Registered or Certified Mail, Return Receipt Requested, or by personal delivery evidenced by receipt.

A representative of the organization shall attend and participate in the hearing. The receipt by the carrier of a request for a hearing shall operate to stay action on the termination of employment until the hearing is held and the decision of the carrier is rendered.

In the event the employee concerned does not request a hearing as provided herein, the carrier shall proceed to terminate his seniority and employment under the Rules and Working Conditions Agreement not later than thirty calendar days from receipt of the above described notice from the organization, unless the carrier and the organization agree otherwise in writing.

(b) The carrier shall determine on the basis on the evidence produced at the hearing whether or not the employee has complied with the terms of this Agreement and shall render a decision within twenty calendar days from the date that the hearing is closed, and the employee and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested.

If the decision is that the employee has not complied with the terms of this Agreement, his seniority and employment under the Rules and Working Conditions Agreement shall be terminated within twenty calendar days of the date of said decision except as herein-after provided or unless the carrier and the organization agree otherwise in writing.

If the decision is not satisfactory to the employee or to the organization it may be appealed in writing, by Registered or Certified Mail, Return Receipt Requested, directly to the highest officer of the carrier designated to handle appeals under this Agreement. Such appeals must be received by such officer within ten calendar days of the date of the decision appealed from and shall operate to stay action on the termination of seniority and employment, until the decision on appeal is rendered. The carrier shall promptly notify the other party in writing of any such appeal, by Registered or Certified Mail, Return Receipt Requested. The decision on such appeal shall be rendered within twenty calendar days of the date the notice of appeal is received, and the employee and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested.

If the decision is not satisfactory to the employee or to the organization it may be appealed in writing, by Registered or Certified Mail, Return Receipt Requested, directly to the highest officer of the carrier designated to handle appeals under this Agreement. Such appeals must be received by such officer within ten calendar days of the date of the decision appealed from and shall operate to stay action on the termination of seniority and employment, until the decision on appeal is rendered. The carrier shall promptly notify the other party in writing of any such appeal, by Registered or Certified Mail, Return Receipt Requested. The decision on such appeal shall be rendered within twenty calendar days of the date the notice of appeal is received, and the employee and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested.

If the decision on such appeal is that the employee has not complied with the terms of this Agreement, his seniority and employment under the Rules and Working Conditions Agreement shall be terminated within twenty calendar days of the date of said decision unless selection of a neutral is requested as provided below, or unless the carrier and the organization agree otherwise in writing. The decision on appeal shall be final and binding unless within ten calendar days from the date of the decision the organization or the employee involved requests the selection of a neutral person to decide the dispute as provided in Section 5(c) below. Any request for selection to act on the termination of seniority and employment until not more than ten calendar days from the date decision is rendered by the neutral person.

(c) If within ten calendar days after the date of a decision on appeal by the highest officer of the carrier designated to handle appeals under this Agreement, the organization or the employee involved requests such highest officer in writing by Registered or Certified Mail, Return Receipt Requested, that a neutral be appointed to decide the dispute shall be selected by the highest officer of the carrier designated to handle appeals under this Agreement or his designated representative, the Chief Executive of the organization or his designated representative. If they are unable to agree upon the selection of a neutral person any one of them may request the Chairman of the National Mediation Board in writing to appoint such neutral. The carrier, the organization,
and the employee involved shall have the right to appear and present evidence at a hearing before such neutral arbitrator. Any decision by such neutral arbitrator shall be made within thirty calendar days from the date of receipt of the request for his appointment and shall be final and binding upon the parties. The carrier, the employee, and the organization shall be promptly advised thereof in writing by Registered or Certified Mail, Return Receipt Requested.

If the position of the employee is sustained, the fees, salary, and expenses of the neutral arbitrator shall be borne in equal shares by the carrier and the organization; if the employee’s position is not sustained, such fees, salary, and expenses shall be borne in equal shares by the carrier, the organization, and the employee.

(d) The time periods specified in this section may be extended in individual cases by written agreement between the carrier and the organization.

(e) Provisions of investigation and discipline rules contained in the Rules and Working Conditions Agreement between a carrier and the organization will not apply to cases arising under this Agreement.

(f) The General Chairman of the organization shall notify the carrier in writing of the title(s) and address(es) of its representatives who are authorized to serve and receive the notices described in this Agreement. The carrier shall notify the General Chairman of the organization in writing of the title(s) and address(es) of its representatives who are authorized to receive and serve the notices described in this Agreement.

(g) In computing the time periods specified in this Agreement, the date on which notice is received or decision rendered shall not be counted.

Section 6.

Other provisions of this Agreement to the contrary notwithstanding, the Carrier shall not be required to terminate the employment of an employee until such time as qualified replacement is available. The carrier may not, however, retain such employee in service under the provisions of this section for a period in excess of sixty calendar days from the date of the last decision rendered under the provisions of Section 5, or ninety calendar days from date of receipt of notice from the organization in cases where the employee does not request a hearing. The employee whose employment is extended under the provisions of this section shall not, during such extension, retain or acquire any seniority rights. The position will be advertised as vacant under the bulletin rules of the respective agreements but the employee may remain on the position he held at the time of the last decision, or at the date of receipt of notice where no hearing is requested pending the assignment of the successful applicant, unless displaced or unless the position is abolished. The above periods may be extended by agreement between the carrier and the organization involved.

Section 7.

An employee whose seniority and employment under the Rules and Working Conditions Agreement is terminated pursuant to the provisions of this Agreement or whose employment is extended under Section 6 shall have no time or money claims by reason thereof.

If the final determination under Section 5 of this Agreement is that an employee’s seniority and employment in a craft or class shall be terminated, no liability against the carrier in favor of the organization or other employees based upon an alleged violation, misapplication or noncompliance with any part of this Agreement shall arise or accrue during the period up to the expiration of the 60 or 90 day periods specified in Section 6, or while such determination may be stayed by a court, or while a discharged employee may be restored to service pursuant to judicial determination. During such periods, no provision of any other agreement between the parties hereto shall be used as the basis for a grievance or time or money claim by or on behalf of any employee.
against the carrier predicated upon any action taken by the carrier in applying or complying with this Agreement or upon an alleged violation, misapplication or noncompliance with any provision of this Agreement.

If the final determination under Section 5 of this Agreement is that an employee’s employment and seniority shall not be terminated, his continuance in service shall give rise to no liability against the carrier in favor of the organization or other employees based upon an alleged violation, misapplication or noncompliance with any part of this Agreement.

Section 8.

In the event that seniority and employment under the Rules and Working Conditions Agreement is terminated by the carrier under the provisions of this Agreement, and such termination of seniority and employment is subsequently determined to be improper, unlawful, or unenforceable, the organization shall indemnify and save harmless the carrier against any and all liability arising as the result of such improper, unlawful, or unenforceable termination of seniority and employment; Provided, however, that this section shall not apply to any case in which the carrier involved is the plaintiff or the moving party in the action in which the aforesaid determination is made or in which case such carrier acts in collusion with any employee; Provided further, that the aforementioned liability shall not extend to the expense to the carrier in defending suits by employees whose seniority and employment are terminated by the carrier under the provisions of this Agreement. The Union agrees to hold the Carrier harmless for any action that the Carrier undertakes in accordance with the Union’s written direction under the terms of Rule 45 of this contract.

Section 9.

An employee whose employment is terminated as a result of noncompliance with the provisions of this Agreement shall be regarded as having terminated his employee relationship for vacation purposes.

Section 10.

(a) The Carrier party to this Agreement shall periodically deduct from the wages of employees subject to this Agreement periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership in such organization, and shall pay the amount so deducted to such officer of the organization as the organization shall designate; Provided, however, that the requirements of this subsection (a) shall not be effective with respect to any individual employee until he shall have furnished the carrier with a written assignment to the organization of such membership dues, initiation fees, and assessments, which assignment shall be revocable in writing after the expiration of one year or upon the termination of this Agreement, whichever occurs sooner.

(b) The provisions of subsection (2) of this section shall not become effective unless and until the carrier and the organization shall, as a result of further negotiations pursuant to the recommendations of Emergency Board No. 98, agree upon the terms and conditions under which such provisions shall be applied; such agreement to include, but not be restricted to, the means of making said deductions, the amounts to be deducted, the form, procurement and filing of authorization certificates, the frequency of deductions, the priority of said deductions with other deductions now or hereafter authorized, the payment and distributions of amount withheld, and any other matters pertinent thereto.

RULE 46
DUES CHECK-OFF

Section 1.
Subject to terms and conditions hereinafter set forth the Company will deduct from the wages of employees initiation fees and assessments (excluding fines and penalties) whenever applicable and monthly union dues commencing with the receipt of the "Wage Deduction Authorization" furnished by the Brotherhood, all of which may be uniformly required as a condition of the employees acquiring or retaining membership in the Brotherhood, and upon their written and unrevoked individual authorizations.

The officer of the Brotherhood designated by the General Chairman will notify the Company in writing or the designated representative of the Company of any special assessments or changes in amounts of fees or dues, such notice to be in the hands of the designated Company representative not less than thirty (30) days prior to the beginning of the payroll period in which such deduction is to be effective.

Section 2.

Each individual employee subject to the agreement with the Brotherhood who desires such payroll deduction will fill out and sign two (2) copies of the "Wage Deduction Authorization" which will be furnished by the Brotherhood, and shall mail the original to the Company's designated representative and the duplicate copy to the General Chairman of the Brotherhood.

Section 3.

(a) Individual authorization to be effective for a particular month must be in the possession of the Company's designated representative not later than the beginning of the payroll period from which such deduction is to be made, which will be for dues of the member for the second month following the month in which the deduction is made.

(b) The designated officer of the Brotherhood shall furnish to the Company an initial statement in duplicate, certified by him, showing payroll number (to be secured from employing officer), employees' names in alphabetical order, social security account number between the 10th and 15th day of the month in which the deductions become effective. Subsequent monthly deductions will be based on the initial statement, plus a monthly statement showing additions and deletions to be furnished in the same manner as the initial statement required hereby.

Section 4.

Said deductions made in accordance with the provisions hereof shall be remitted to the General Chairman promptly, accompanied by a list showing the names of employees for whom deductions were made, the amount of the deductions and the total amount of money deducted. Said deductions will be made only from wages earned in the second payroll period of each calendar month. If earnings of the employees are insufficient in the second payroll period to permit the full amount of the Brotherhood's deduction, no deduction will be made for that month. In the event of any excess or shortage in said deductions for an individual employee, they will be adjusted by the Brotherhood and the individual employee. No deductions will be made from other than the regular second period payrolls of each calendar month.

Section 5.

The following payroll deductions shall have priority over deductions for union dues as covered by this Agreement:

- Federal, state and municipal taxes and/or other deductions required by law or court orders.
(b) Insurance premiums and medical association dues.

c) Amounts due Company.

Section 6.

Responsibility of the Company under this Agreement shall be limited to the amount actually deducted from wages of employees pursuant to this Agreement and the Company shall not be responsible financially or otherwise for failure to make deduction or for the improper or inaccurate deductions. Any questions arising as to the correctness of the amount deducted shall be handled between the employee involved and the Brotherhood.

Section 7.

Except for remitting to the Organization monies properly deductible from the wages of employee-members, as provided for herein, the organization shall indemnify, defend and save harmless the Carrier from and against any and all claims, demands, liability, losses or damage resulting from the entering into of this Agreement or arising or growing out of any dispute or litigation resulting from any deductions made by the Carrier from the wages of its employees for or on behalf of the Organization; provided, however, that this provision shall not apply to any case in which the Carrier is the plaintiff or the moving party in the action. The Union agrees to hold the Carrier harmless for any action that the Carrier undertakes in accordance with the Union’s written direction under the terms of Rule 46 of this contract.

Section 8.

In the event of a change in representation of employees now represented by the Brotherhood, this Agreement shall be automatically terminated as to the employees involved as of the date official notification is received from the National Mediation Board of such change in representation.

Section 9.

This Agreement shall not be effective with respect to any individual employee until the Company has been furnished with a proper written assignment to the Brotherhood of such membership dues, initiation fees and assessments, which assignment shall be revocable in writing at any time, or upon the termination of the Union Shop Agreement, or of this Agreement.

Section 10.

If and when the Union Shop Agreement shall become unlawful or invalid, this Memorandum Agreement shall be considered automatically cancelled.

RULE 47
BEREAVEMENT LEAVE

Bereavement leave, not in excess of three calendar days, following the date of death will be allowed in case of death of an employee’s spouse, children, grandchildren, parent, stepparent, parent in law, sibling, sibling in law, grandparents, and spouse’s grandparents. In such cases a minimum basic day’s pay at the rate of the last service rendered will be allowed for the number of working days lost during bereavement leave. Employees involved will make provision for taking leave with their supervising officials in the usual manner. Any restrictions against blanking jobs or realigning forces will not be applicable when an employee is absent under this provision.
In accordance with the provisions of the Voluntary Payroll Deduction of Political Contributions Agreement signed August 31, 1979, between carriers represented by the National Railway Labor Conference and the employees of said carriers represented by the Brotherhood of Maintenance of Way Employees, the parties hereby amend the Dues Deduction Agreement of October 5, 1979 as amended, to the extent necessary to provide for the deduction of employees’ voluntary political contributions on the following terms and bases:

(a) Subject to the terms and conditions hereinafter set forth, the carrier will deduct from the wages of employees voluntary political contributions upon their written authorization in the form (individual authorization form) agreed upon by the parties hereto, copy of which is attached, designated “Attachment A” and made a part hereof,

(b) Voluntary political contributions will be made monthly from the compensation of employees who have executed a written authorization providing for such deductions. The first such deduction will be made in the month following the month in which the authorization is received. Such authorization will remain in effect for a minimum of twelve (12) months and thereafter until cancelled by thirty (30) days advance written notice from the employee to the Brotherhood and the carrier by Registered Mail. Changes in the amount to be deducted will be limited to one change in each 12-month period and any change will coincide with a date on which dues deduction amounts may be changed under the dues deduction agreement.

(c) The General Chairman or his designated representative shall furnish the carrier, with copy to appropriate units of the Brotherhood, an initial statement by lodges, in alphabetical order and certified by him, showing the amounts of deductions to be made from each employee, such statement to be furnished together with individual authorization forms to cover, and payroll deductions of such amounts will commence in the month immediately following. Subsequent monthly deductions will be based on the initial statement plus a monthly statement showing additions and/or deletions furnished in the same manner as the initial statement required hereinafore.

(d) Monthly voluntary political contribution deductions will be made from wages at the same time that membership dues are deducted from the employee’s paycheck.

(e) Concurrent with making remittance to the Organization of monthly membership dues, the carrier will make separate remittance of voluntary political contributions to the, BMWBD/DRIVB Department International Brotherhood of Teamsters together with a list prepared in accordance with the requirements of the Dues Deduction Agreement pertaining to the remittance of monthly membership dues, with a copy to the General Chairman.

(f) The requirements of this agreement shall not be effective with respect to any individual employee until the employer has been furnished with a written authorization of assignment of wages of such monthly voluntary political contribution.

Rule 49
SUB-CONTRACTING

Section 1.

(a) In the event the carrier plans to contract out work within the scope of the applicable schedule agreement, the carrier shall notify the General Chairman of the organization involved in writing as far in advance of the date of the contracting transaction as is practicable and in any event not less than 15 days prior thereto.
(b) If the General Chairman, or his representative, requests a meeting to discuss matters relating to the said contracting transaction, the designated representative of the carrier shall promptly meet with him for that purpose. Said carrier and organization representatives shall make a good faith attempt to reach an understanding concerning said contracting, but if no understanding is reached the carrier may nevertheless proceed with said contracting, and the organization may file and progress claims in connection therewith.

(c) Nothing in this section shall affect the existing rights of either party in connection with contracting out. Its purpose is to require the carrier to give advance notice and, if requested, to meet with the General Chairman or his representative to discuss and if possible reach an understanding in connection therewith.

Section 2.

(a) The Carrier assures that they will assert good-faith efforts to reduce the incidence of subcontracting and increase the use of their maintenance of way forces to the extent practicable, including the procurement of rental equipment and operation thereof by carrier employees.

(b) The parties jointly reaffirm the intent that advance notice requirements be strictly adhered to and encourage the parties locally to take advantage of the good faith discussions provided for to reconcile any differences. In the interests of improving communications between the parties on subcontracting, the advance notice shall identify the work to be contracted and the reasons thereof.

RULE 50
EMPLOYEE INFORMATION

The Carrier will provide the General Chairman with a list of employees who are hired or terminated, their home addresses, and the employees' identification numbers. This information will be limited to the employees covered by this agreement. The data will be supplied within 30 days after the month in which the employee is hired or terminated.

RULE 51

RULE 53
PRINTING AND FURNISHING AGREEMENT

This agreement of Working Conditions and Rates of Pay shall be printed by the Company and any employee affected thereby shall be provided with a copy upon request.
 RULE 54
SAVING CLAUSE

The parties to this Agreement commit their mutual intent that the Agreement reflects the full understanding between them and that it be complete and accurate with regard to all matters to which they have agreed. The parties further commit, therefore, that should any inadvertent errors or omissions be brought to the attention of one party by the other, on matters to which they have agreed, the parties will meet promptly to correct those errors.

 RULE 55
NEW ETHICS POLICY

The Organization recognizes that the carrier retains the right to operate and manage the business, and to make any and all decisions affecting the business.

To establish and post reasonable rules of conduct including a Code of Ethics which shall be reviewed and acknowledged by all employees covered by this agreement on an annual basis as long as the Code applies to all other Carrier employees and is not in conflict with the terms of the Collective Bargaining Agreement.

To establish, continue, modify or amend policies and procedures for the conduct of the business.

The enumeration of management rights and prerogatives contained herein, is not intended to affect the specific provisions of this Agreement.

 RULE 56
DATE EFFECTIVE-CHANGES

This agreement, including Supplements and Appendices contained herein, shall become effective as of December 16th, 2010 and is intended to be and is the full agreement of the parties and superseding any prior agreements, and shall remain in effect until changed with the provisions of the Railway Labor Act as amended.

APPENDIX “A”

Case No. A-7 128

MEDIATION AGREEMENT

This agreement made this 7th day of February, 1965, by and between the participating carriers listed in Exhibits A, B and C, attached hereto and hereby made a part hereof, and represented by the National Railway Labor Conference and the Eastern, Western and Southeastern Carriers’ Conference Committees and the employees shown thereon and represented by the Railway Labor Organizations signatory hereto, through the Employees’ National Conference Committee, Five Cooperating Railway Labor Organizations, witnesseth:

IT IS AGREED:

ARTICLE I - PROTECTED EMPLOYEES

Section 1

All employees, other than seasonal employees, who were in active service and who have or attain ten (10) or more years’ of employment relationship will be retained in service subject to compensation as hereinafter provided unless or until retired, discharged for cause, or otherwise removed by natural attrition. For the purpose of this Agreement, the term “active service” is defined to include all employees working, or holding an assignment, or in the process of transferring from one assignment to another (whether or not the date on which such ten or more years of employment relationship is acquired was a work day). An employee who is not regularly assigned on the date the employee is otherwise eligible to achieve protected status under this Section will be deemed to be protected on the first day assigned to a regular position in accordance with existing rules of the BMWE Agreement.

Section 2

Seasonal employees, who had compensated service during each of the years 1995, 1996 and 1997, who otherwise meet the definition of “protected” employees under Section 1, will be offered employment in future years at least equivalent to what they performed in 1997, unless or until retired, discharged for cause, or otherwise removed by natural attrition.

Section 3

In the event of a decline in a carrier’s business in excess of 5% in the average percentage of both gross operating revenue and net revenue ton miles in any 30-day period compared with the average of the same period for the years 1963 and 1964, a reduction in forces in the crafts represented by each of the organizations signatory hereto may be made at any time during the said 30-day period below the number of employees entitled to preservation of employment under this Agreement to the extent of one percent for each one percent (1%) said decline exceeds 5%. The average percentage of decline shall be the total of the percent of decline in gross operating revenue and percent of decline in net revenue ton miles divided by 2.
Advance notice of any such force reduction shall be given as required by the current Schedule Agreements of the organizations signatory hereto.

Upon restoration of a carrier’s business following any such force reduction, employees entitled to preservation of employment must be recalled in accordance with the same formula within 15 calendar days.

Section 4

Notwithstanding other provisions of this Agreement, a carrier shall have the right to make force reductions under emergency conditions such as flood, snowstorm, hurricane, earthquake, fire or strike, provided that operations are suspended in whole or in part and provided further that because of such emergencies the work which would be performed by the incumbents of the positions to be abolished or the work which would be performed by the employees involved in the force reductions no longer exists or cannot be performed. Sixteen hours advance notice will be given to the employees affected before such reductions are made. When forces have been so reduced and thereafter operations are restored employees entitled to preservation of employment must be recalled upon the termination of the emergency. In the event the carrier is required to make force reductions because of the aforesaid emergency conditions, it is agreed that any decline in gross operating revenue and net revenue ton miles resulting therefrom shall not be included in any computation of a decline in the carrier’s business pursuant to the provisions of Section 3 of this Article I.

Section 5

Subject to and without limiting the provisions of this agreement with respect to furloughs of employees, reductions in forces, employee absences from service or with respect to cessation or suspension of an employee’s status as a protected employee, the carrier agrees to maintain work forces of protected employees represented by each organization signatory hereto in such manner that force reductions of protected employees below the established base as defined herein shall not exceed six per cent (6%) per annum. The established base shall mean the total number of protected employees in each craft represented by the organizations signatory hereto who qualify as protected employees under Section 1 of this Article I.

ARTICLE II - USE AND ASSIGNMENT OF EMPLOYEES AND LOSS OF PROTECTION

Section 1

An employee shall cease to be a protected employee in case of his resignation, death, retirement, dismissal for cause in accordance with existing agreements, or failure to retain or obtain a position available to him in the exercise of his seniority rights in accordance with existing rules or agreements, or failure to accept employment as provided in this Article. A protected furloughed employee who fails to respond to extra work when called shall cease to be a protected employee. If an employee dismissed for cause is reinstated to service, he will be restored to the status of a protected employee as of the date of his reinstatement.

Section 2

An employee shall cease to be a protected employee in the event of his failure to accept employment in his craft offered to him by the carrier in any seniority district or on any seniority roster throughout the carrier’s railroad system as provided in implementing agreements made pursuant to Article III hereof, provided, however, that nothing in this Article shall be understood as modifying the provisions of Article V hereof.
Section 3

When a protected employee is entitled to compensation under this Agreement, he may be used in accordance with existing seniority rules for vacation relief, holiday vacancies, or sick relief, or for any other temporary assignments which do not require the crossing of craft lines. Traveling expenses will be paid in instances where they are allowed under existing rules. Where existing agreements do not provide for traveling expenses, in those instances, the representatives of the organization and the carrier will negotiate in an endeavor to reach an agreement for this purpose.

ARTICLE III - IMPLEMENTING AGREEMENTS

Section 1

The organizations recognize the right of the carriers to make technological, operational and organizational changes, and in consideration of the protective benefits provided by this Agreement the carrier shall have the right to transfer work and/or transfer employees throughout the system which do not require the crossing of craft lines. The organizations signatory here to shall enter into such implementing agreements with the carrier as may be necessary to provide for the transfer and use of employees and the allocation or rearrangement of forces made necessary by the contemplated change. One of the purposes of such implementing agreements shall be to provide a force adequate to meet the carrier’s requirements.

Section 2

Except as provided in Section 3 hereof, the carrier shall give at least 60 days’ (90 days in cases that will require a change of an employee’s residence) written notice to the organization involved of any intended change or changes referred to in Section 1 of this Article whenever such intended change or changes are of such a nature as to require an implementing agreement as provided in said Section 1. Such notice shall contain a full and adequate statement of the proposed change or changes, including an estimate of the number of employees that will be affected by the intended change or changes. Any change covered by such notice which is not made within a reasonable time following the service of the notice, when all of the relevant circumstances are considered, shall not be made by the carrier except after again complying with the requirements of this Section 2.

Section 3

The carrier shall give at least 30 days’ notice where it proposes to transfer no more than 5 employees across seniority lines within the same craft and the transfer of such employees will not require a change in the place of residence of such employee or employees, such notice otherwise to comply with Section 2 hereof.

Section 4

In the event the representatives of the carrier and organizations fail to make an implementing agreement within 60 days after notice is given to the general chairman or general chairmen representing the employees to be affected by the contemplated change, or within 30 days after notice where a 30-day notice is required pursuant to Section 3 hereof; the matter may be referred by either party to the Disputes Committee as hereinafter provided.
The issues submitted for determination shall not include any question as to the right of the carrier to make the change but shall be confined to the manner of implementing the contemplated change with respect to the transfer and use of employees, and the allocation or rearrangement of forces made necessary by the contemplated change.

Section 5

The provisions of implementing agreements negotiated as hereinabove provided for with respect to the transfer and use of employees and allocation or reassignment of forces shall enable the carrier to transfer such protected employees and rearrange forces, and such movements, allocations and rearrangements of forces shall not constitute an infringement of rights of unprotected employees who may be affected thereby.

ARTICLE IV - COMPENSATION DUE PROTECTED EMPLOYEE

Section 1

Subject to the provisions of Section 3 of this Article IV, protected employees who hold regularly assigned positions shall not be placed in a worse position with respect to compensation than the normal rate of compensation for said regularly assigned position as of the date they become protected; provided, however, that in addition thereto such compensation shall be adjusted to include subsequent general wage increases.

Section 2

Subject to the provisions of Section 3 of this Article IV, all other employees entitled to preservation of employment shall not be placed in a worse position with respect to compensation than that earned during a base period comprised of the last twelve months in which they performed compensated service immediately preceding the date of this Agreement. For purposes of determining whether, or to what extent, such an employee has been placed in a worse position with respect to his compensation, his total compensation and total time paid for during the base period will be separately divided by twelve, if his compensation in his current employment is less in any month (commencing with the first month following the date of this agreement) than his average base period compensation (adjusted to include subsequent general wage increases), he shall be paid the difference less compensation for any time lost on account of voluntary absences to the extent that he is not available for service equivalent to his average time paid for during the base period, but he shall be compensated in addition thereto at the rate of the position filled for any time worked in excess of the time paid for during the base period; provided, however, that in determining compensation in his current employment the employee shall be treated as occupying the position producing the highest rate of pay and compensation to which his seniority entitles him under the working agreement and which does not require a change in residence.

Section 3

Any protected employee who in the normal exercise of his seniority bids in a Job or is bumped as a result of such an employee exercising his seniority in the normal way by reason of a voluntary action, will not be entitled to have his compensation preserved as provided in Sections 1 and 2 hereof, but will be compensated at the rate of pay and conditions of the job he bids in; provided, however, if he is required to make a move or bid in a position under the terms of an implementing agreement made pursuant to Article IV hereof, he will continue to be paid in accordance with Sections 1 and 2 of this Article IV.
Section 4

If a protected employee fails to exercise his seniority rights to secure another available position, which does not require a change in residence, to which he is entitled under the working agreement and which carries a rate of pay and compensation exceeding those of the position he elects to retain, he shall thereafter be treated for the purposes of this Article as occupying the position which he elects to decline.

Section 5

A protected employee shall not be entitled to the benefits of this Article during any period in which he fails to work due to disability, discipline, leave of absence, military service, or other absence from the carrier’s service, or during any period in which he occupies a position not subject to the working agreement; nor shall a protected employee be entitled to the benefits of this Article IV during any period when furloughed because of reduction in force resulting from seasonal requirements (including lay-offs during Miners’ Holiday and the Christmas Season) or because of reductions in forces pursuant to Article I, Sections 3 or 4, provided, however, that employees furloughed due to seasonal requirements shall not be furloughed in any 12-month period for a greater period than they were furloughed during the 12 months preceding the date of this agreement.

Section 6

The carrier and the organizations signatory hereto will exchange such data and information as are necessary and appropriate to effectuate the purposes of this Agreement.

ARTICLE V - MOVING EXPENSES AND SEPARATION ALLOWANCES

In the case of any transfers or rearrangement of forces for which an implementing agreement has been made, any protected employee who has 15 or more years of employment relationship with the carrier and who is requested by the carrier pursuant to said implementing agreement to transfer to a new point of employment requiring him to move his residence shall be given an election, which must be exercised within seven calendar days from the date of request, to make such transfer or to resign and accept a lump sum separation allowance in accordance with the following provisions:

If the employee elects to transfer to the new point of employment requiring a change of residence, such transfer and change of residence shall be subject to the benefits contained in Sections 10 and 11 of the Washington Agreement notwithstanding anything to the contrary contained in said provisions and in addition to such benefits shall receive a transfer allowance of eight hundred dollars ($800) and five working days instead of the “two ‘working days” provided by Section 10(a) of said Agreement.

If the employee elects to resign in lieu of making the requested transfer as aforesaid he shall do so as of the date the transfer would have been made and shall be given (in lieu of all other benefits and protections to which he may have been entitled under the Protective Agreement and Washington Agreement) a lump sum separation allowance which shall be computed in accordance with the schedule set forth in Section 9 of the Washington Agreement; provided, however, that force reductions permitted to be made under this Agreement shall be in addition to the number of employees who resign to accept the separation allowance herein provided.
Those protected employees who do not have 15 years or more of employment relationship with the carrier and who are required to change their place of residence shall be entitled to the benefits contained in Sections 10 and 11 of the Washington Agreement notwithstanding anything to the contrary contained in such provisions and in addition to such benefits shall receive a transfer allowance of four hundred dollars ($400) and 5 working days instead of "two working days" provided in Section 10(a) of said Agreement.

**ARTICLE VI - APPLICATION TO MERGERS, CONSOLIDATIONS AND OTHER AGREEMENTS**

Section 1

Any merger agreement now in effect applicable to merger of two or more carriers, or any job protection or employment security agreement which by its terms is of general system-wide and continuing application, or which is not of general system-wide application but which by its terms would apply in the future, may be preserved by the employee representatives so notifying the carrier within sixty days from the date of this agreement, and in that event this agreement shall not apply on that carrier to employees represented by such representatives.

Section 2

In the event of merger or consolidation of two or more carriers, parties to this Agreement on which this agreement is applicable, or parts thereof, into a single system subsequent to the date of this agreement the merged, surviving or consolidated carrier will constitute a single system for purposes of this agreement, and the provisions hereof shall apply accordingly, and the protections and benefits granted to employees under this agreement shall continue in effect.

Section 3

Without in any way modifying or diminishing the protection, benefits or other provisions of this agreement, it is understood that in the event of a coordination between two or more carriers as the term "coordination" is defined in the Washington Job Protection Agreement, said Washington Agreement will be applicable to such coordination, except that Section 13 of the Washington Job Protection Agreement is abrogated and the disputes provisions and procedures of this agreement are substituted therefor.

Section 4

Where prior to the date of this agreement the Washington job Protection Agreement (or other agreements of similar type whether, applying inter-carrier or intra-carrier has been applied to a transaction, coordination allowances and displacement allowances (or their equivalents or counterparts, if other descriptive terms are applicable on a particular railroad) shall be unaffected by this agreement either as to amount or duration, and allowances payable under the said Washington Agreement or similar agreements shall not be considered compensation for purposes of determining the compensation due a protected employee under this agreement.
ARTICLE VII - DISPUTES COMMITTEE

Section 1

Any dispute involving the interpretation or application of any of the terms of this agreement and not settled on the carrier may be referred by either party to the dispute for decision to a committee consisting of two members of the Carriers' Conference Committees signatory to this agreement, two members of the Employees' National Conference Committee signatory to this agreement, and a referee to be selected as hereinafter provided. The referee selected shall preside at the meetings of the committee and act as chairman of the committee.

A majority vote of the partisan members of the committee shall be necessary to decide a dispute, provided that if such partisan members are unable to reach a decision, the dispute shall be decided by the referee. Decisions so arrived at shall be final and binding upon the parties to the dispute.

Section 2

The parties to this agreement will select a panel of three potential referees for the purpose of disposing of disputes pursuant to the provisions of this section. If the parties are unable to agree upon the selection of the panel of potential referees within 30 days of the date of the signing of this agreement, the National Mediation Board shall be requested to name such referee or referees as are necessary to fill the panel within 5 days after the receipt of such request. Each panel member selected shall serve as a member of such panel for a period of one year, if available. Successors to the members of the panel shall be appointed in the same manner as the original appointees.

Section 3

Disputes shall be submitted to the committee by notice in writing to the Chairman of the National Railway Labor Conference and to the Chairman of the Employees' National Conference Committee, signatories to this agreement, who shall within 10 days of receipt of such notice, designate the members of their respective committees who shall serve on the committee and arrange for a meeting of the committee to consider such disputes as soon as a panel referee is available to serve, and in no event more than 10 days thereafter. Decision shall be made at the close of the meeting if possible (such meeting not to continue for more than 5 days) but in any event within 5 days of the date such meeting is closed, provided that the partisan member of the committee may by mutual agreement extend the duration of the meeting and the period for decision; the notice provided for in this Section 3 shall state specifically the questions to be submitted to the committee for decision; and the committee shall confine itself strictly to decisions as to the question so specifically submitted to it.

Section 4

Should any representative of a party to a dispute on any occasion fail or refuse to meet or act as provided in Section 3, then the dispute shall be regarded as decided in favor of the party whose representatives are not guilty of such failure or refusal and settled accordingly but without establishing a precedent for any other cases; provided that a partisan member of the committee may, in the absence of his partisan colleague, vote on behalf of both.
Section 5

The parties to the dispute will assume the compensation, travel expense and other expense of their respective partisan committee members. Unless other arrangements are made, the office, stenographic and other expenses of the committee, including compensation and expenses of the referee, shall be shared equally by the parties to the dispute.

**ARTICLE VIII- EFFECT OF THIS AGREEMENT**

This Agreement is in settlement of the disputes growing out of notices served on the carriers listed in Exhibits A, B and C on or about May 31, 1963 relating to Stabilization of Employment, and out of proposals served by the individual railroads on organization representatives of the employees involved on or about June 17, 1963 relating to Technological, Organizational and Other Changes and Employee Protection. This Agreement shall be construed as a separate Agreement by and on behalf of each of said carriers and its employees represented by each of the organizations signatory hereto.

The provisions of this Agreement shall remain in effect until July 1, 1967, and thereafter until changed or modified in accordance with the provisions of the Railway Labor Act, as amended.

No party to this agreement shall serve, prior to January 1, 1967, any notice or proposal on a national, regional or local basis for the purpose of changing the provisions of this Agreement, or which relates to the subject matter contained in the proposals of the parties referred to in this Article, and that portion of pending notices relating to such subject matters, whether local, regional or national in character, are withdrawn. Any notice or proposal of the character referred to in this paragraph served on or after January 1, 1967 shall not be placed into effect before July 1, 1967.

**ARTICLE IX - COURT APPROVAL**

This Agreement is subject to approval of the courts with respect to carriers in the hands of receivers or trustees.

WHEREAS, the carriers covered by Article XII, Part A, which are represented by the NCCC (“Covered Carriers” or “Carrier”), and the BMWE have concluded that the Disputes Committee procedures contained in Article VII of the February 7, 1965 Agreement should be revised, it is hereby

AGREED, that, the following procedures will supersede the dispute resolution procedures set forth in and established under Article VII of the February 7, 1965 Agreement as regards any dispute between BMWE and the Covered Carriers arising under the February 7, 1965 Agreement, as amended.

I. Handling of Claims

A. Each Carrier shall designate an officer or officers to receive initial claims arising under either the February 7, 1965 Agreement or the Washington Job Protection Agreement of 1936. The Carrier shall notify the Union in writing of the names and addresses of such designated officer or officers. All claims under the provisions of these Agreements shall be presented to the designated officer by the employee or his designated representative within sixty (60) days following the end of the calendar month in which the claim arose. The claim shall be barred if not presented within such period. The designated officer who received the claim shall deny or allow it within sixty (60) days from the date of the receipt. Any denial must be in writing and state the reasons for denial of the claim. If the designated officer fails to respond to the claim within the time provided, the claim shall be allowed as presented, but this shall not be considered as precedent or waiver of the contentions of the Carrier as to other similar claims.

B. An appeal (including a request for conference) to the Carrier’s highest designated officer to hear such claims may be taken by either the employee or his designated representative anytime up to sixty (60) days after the date of the claim’s denial. A failure of the employee or his designated representative to make such an appeal shall close the matter, but this shall not be considered as a precedent or waiver of the contentions of the employee or his designated representative as to other similar claims or grievances.

C. The parties shall confer regarding the appeal within thirty (30) days following the highest designated officer’s receipt of the appeal and such officer shall respond, in writing, to the appeal within sixty (60) days following the date of the appeal conference. If the highest designated officer fails to respond to the appeal within the time provided, the claim shall be allowed as presented, but this shall not be considered as a precedent or waiver of the contentions of the Carrier as to other similar claims.

D. Any appeal denied by the Carrier’s highest designated officer may be listed for resolution by the Special Board of Adjustment established in Article II, below. Any such appeal shall be taken within three (3) months of the date of the Carrier’s denial of the appeal. A party’s failure to list any appeal within the time limits specified in this section shall close that specific claim; however, failure to proceed to arbitration shall not be considered as a precedent or waiver of the contentions of the party as to other similar claims.
II Arbitration Committee

A. There shall be established a Special Board of Adjustment, in accordance with Section 3, Second of the Railway Labor Act, which shall be known as Special Board of Adjustment No. 1087, hereinafter referred to as the Board. This Board shall have jurisdiction to hear disputes arising under the Agreement of February 7, 1965 in Mediation Case No. 7218, as amended, and the WJPA. The Board shall not have the authority to add contractual terms or to change existing agreements governing rates of pay, rules, and working conditions.

B. The Board shall consist of five members. Two members shall be selected by the Covered Carriers and shall be known as the “Carrier Members”. Two members shall be selected by the BMWE and shall be known as the “Union Members”. The third member, who shall be Chairman of the Board, shall be a neutral person, unbiased as between the parties. The Carrier Members and the Union Members may be changed at any time by the respective parties designating them upon notice to the other party.

C. The Carrier and Union Members shall confer within five days after the date of this Agreement for the purpose of selecting the Neutral Member of the Board. If the party members agree upon the Neutral Member and the person so agreed upon accepts appointment, then such person shall serve as Chairman of the Board. If, within five (5) days after such first conference, the party members fail to agree upon the Neutral Member, either party may request the National Mediation Board (NMB) to provide a list of seven (7) potential arbitrators from which the parties shall choose the Neutral Member by alternately striking names from the list, which first strike to be allocated to a party by a coin toss. Neither party shall oppose or make any objection to the NMB concerning a request for such a panel nor shall they do anything to delay the striking process.

D. The Neutral Member initially chosen shall sit for a term of one year and that member’s term may be renewed in one year increments by agreement of the parties. Should the parties desire to change the Neutral Member, the procedures set forth in Section C, above shall be followed and the newly chosen Neutral Member shall sit for a term of one year and his or her term may be renewed in one year increments by agreement of the parties.

E. The compensation and expenses for the Carrier Members shall be borne by the Carriers. The compensation and expenses of the Union members shall be borne by the BMWE. The compensation and expenses of the Neutral Member and all other expenses shall be borne half by the Carriers and half by the BMWE.

III Arbitration Procedures

A. The employee or his designated representative may list a dispute for resolution before the Board by filing with the Carrier Members and the Chairman a notice of intent to submit an ex parte submission on the matter. The notice of intent must be filed within the time limits set forth in Article I D, above. The parties must exchange their submissions within sixty (60) days following the filing of the notice of intent.

B. The Board, upon its own motion, may accept and consider evidence relevant to the dispute not part of the handling of the dispute on the Carrier’s property.

C. The Board shall conduct hearings whenever five (5) disputes have been listed or whenever six (6) months has elapsed since the last hearing and at least one dispute between the parties has been listed, whichever occurs first. Oral hearings are required on every dispute unless waived by the moving party. Parties to a hearing may be represented by counsel.
D. The Board shall issue a written award in the case submitted to it within thirty (30) days following the close of the hearing. Any three members of the Board shall be competent to render an award. Copies of the award shall be furnished to the parties of the dispute.

E. The Board shall have jurisdiction to render an interpretation of any award issued by it, provided that, any request for an interpretation must be filed, in writing, with the Board within ninety (90) days following the date of the award.

F. Awards by the Board shall be final and binding, subject to judicial enforcement or review under the provisions of Section 3 First (p) and (q), of the Railway Labor Act.

Signed this 25th day of October, 1996.

(d) The provisions of this Section and Section 3 hereof applicable to other than regularly assigned employees are not intended to abrogate or supersede more favorable rules and practices existing on certain carriers under which other than regularly assigned employees are being granted paid holidays.
NOTE: This rule does not disturb agreements or practices now in effect under which any other day is substituted or observed in place of any of the above enumerated holidays.

Section 2.

The hourly factor will thereafter be 174 and overtime rates will be computed accordingly.

Weekly rates that do not include holiday compensation shall receive a corresponding adjustment.

That portion of such 8 pro rata hours’ pay which derives from the cost-of-living allowance will not become part of basic rates of pay except as provided in Article U, Section 1(d) of the Agreement of January 29, 1975. The sum of presently existing hours per annum plus 8, divided by 12, will establish a new hourly factor for purposes of applying cents-per-hour adjustments in such monthly rates of pay and computing overtime rates.

The hourly factor as shown in Section 2(a) above, was as a result of the addition of the birthday holiday increased, effective January 1, 1965, to 174-213; as a result of the addition of Veterans’ Day as a holiday, effective January 1, 1973, increased to 175-113; and as a result of the addition of Christmas Eve as a holiday, effective January 1, 1976, increased to 176.

Section 3

If the holiday falls on the last day of a regularly assigned employee’s workweek, the first workday following his rest days shall be considered the workday immediately following.

If the holiday falls on the first workday of his workweek, the last workday of the preceding workweek shall be considered the workday immediately preceding the holiday.

Except as provided in the following paragraph, all others for whom holiday pay is provided in Section 1 hereof shall qualify for such holiday pay if on the day preceding and the day following the holiday they satisfy one or
the other of the following conditions:

(c) Under no circumstances will an employee be allowed, in addition to his holiday pay, more than one time and one-half payment for service performed by him on a holiday which is also a work day, a rest, and/or a vacation day.

NOTE: This provision does not supersede provisions of the individual collective agreements that require payment of double time for holidays under specified conditions.
(d) Except as provided in this Section 5, existing rules and practices thereunder governing whether an employee works on a holiday and the payment for work performed on a holiday are not changed hereby.

Section 6.

Article II, Section 6 of the Agreement of August 21, 1954, which was added by the Agreement of November 20, 1964, is eliminated. However, the adjustment in monthly rates of monthly rated employees which was made effective January 1, 1965, pursuant to Article II of the Agreement of November 20, 1964, by adding the equivalent of 8 pro rata hours to their annual compensation (the monthly rate multiplied by 12) and dividing this sum by 12 in order to establish a new monthly rate, continues in effect.

Section 7.

When any of the eleven recognized holidays enumerated in Section 1 of this Article II, or any day which by agreement, or by law or proclamation of the State or Nation, has been substituted or is observed in place of any such holidays, falls during an hourly or daily rated employee's vacation period, he shall, in addition to his vacation compensation, receive the holiday pay provided for therein, provided he meets the qualification requirements specified. The workdays and days immediately preceding and following the vacation period shall be considered the “workdays” and “days preceding and following the holiday for such qualification purposes.

(i) In instances where employees who have become members of the Armed Forces of the United States
return to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as
amended, the time spent by such employees in the Armed Forces subsequent to their employment by the
employing carrier will be credited as qualifying service in determining the length of vacations for which they
may qualify upon their return to the service of the employing carrier.

(j) In instances where an employee who has become a member of the Armed Forces of the United States
returns to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as
amended, and in the calendar year preceding his return to railroad service had rendered compensated service on
fewer days than are required to qualify for a vacation in
the calendar year of his return to railroad service, but could qualify for a vacation in the year of his return to
railroad service if he had combined for qualifying purposes days on which he was in railroad service in such
preceding calendar year with days in such year or which he was in the Armed Forces, he will be granted, in the
calendar year of his return to railroad service, a vacation of such length as he could so qualify for under
paragraphs (a), (b), (c), (d) or (e) and (i) hereof.

(k) In instances where an employee who has become a member of the Armed Forces of the United States
returns to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as

In the event such an employee does not return to service in the following year for the same carrier he will be compensated in lieu of the vacation he has qualified for provided he files written request thereof to his employing officer, a copy of such request to be furnished to his local or general chairman.

Section 2.

(Not reproduced here as it has no application to employees represented by the Brotherhood of Maintenance of Way Employees).

Section 3.

The terms of this Agreement shall not be construed to deprive any employee of such additional vacation days as he may be entitled to receive under any existing rule, understanding or custom, which additional vacation days shall be under and in accordance with the terms of such existing rule, understanding or custom.

An employee’s vacation period shall not be extended by reason of any of the eleven recognized holidays (New Year’s Day, Washington’s Birthday, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, day after Thanksgiving, Christmas Eve, Christmas Day and New Year’s Eve Day), or any day which by agreement has been substituted or is observed in place of any of the eleven holidays enumerated above, or any holiday which by local agreement has been substituted thereof, falling within his vacation period.

Section 4.

(a) Vacations may be taken from January 1st to December 31st and due regard consistent with requirements of service shall be given to the desires and preferences of the employees in seniority order when fixing the dates for their vacations.

The local committee of each organization signatory hereto and the representatives of the carrier will cooperate in assigning vacation dates.

(b) The Management may upon reasonable notice (of thirty (30) days or more, if possible, but in no event less than fifteen (15) days) require all or any number of employees in any plant, operation, or facility, who are entitled to vacations to take vacations at the same time.

The local committee of each organization affected signatory hereto and the proper representative of the carrier will cooperate in the assignment of remaining forces.

Section 5.

Each employee who is entitled to vacation shall take same at the time assigned, and, while it is intended that the vacation date designated will be adhered to so far as practicable, the management shall have the right to
defer same provided the employee so affected is given as much advance notice as possible; not less than ten (10) days’ notice shall be given except when emergency conditions prevent. If it becomes necessary to advance the designated date, at least thirty (30) days’ notice will be given affected employee.

If a carrier finds that it cannot release an employee for a vacation during the calendar year because of the requirements of the service, then such employee shall be paid in lieu of the vacation the allowance hereinafter provided.

Such employee shall be paid the time and one-half rate for work performed during his vacation period in addition to his regular vacation pay.

NOTE: This provision does not supersede provisions of the individual collective agreements that require payment of double time under specified conditions.

Section 6.

The carriers will provide vacation relief workers but the vacation system shall not be used as a device to make unnecessary jobs for other workers. Where a vacation relief worker is not needed in a given instance and if failure to provide a vacation relief worker does not burden those employees remaining on the job, or burden the employee after his return from vacation, the carrier shall not be required to provide such relief worker.

Section 7.

Allowances for each day for which an employee is entitled to a vacation with pay will be calculated on the following basis:

(a) An employee having a regular assignment will be paid while on vacation the daily compensation paid by the carrier for such assignment.

(b) An employee paid a daily rate to cover all services rendered, including overtime, shall have no deduction made from his established daily rate on account of vacation allowances made pursuant to this Agreement.

(c) An employee paid a weekly or monthly rate shall have no deduction made from his compensation on account of vacation allowances made pursuant to this Agreement.

(d) An employee working on a piece-work or tonnage basis will be paid on the basis of the average earnings per day for the last two semi-monthly periods preceding the vacation, during which two periods such employee worked on as many as sixteen (16) different days.

(e) An employee not covered by paragraphs (a), (b), (c), or (d) of this section will be paid on the basis of the average daily straight time compensation earned in the last pay period preceding the vacation during which he performed service.

Section 8.

The vacation provided for in this Agreement shall be considered to have been earned when the employee has qualified under Article 1 hereof. If an employee’s employment status is terminated for any reason whatsoever, including but not limited to retirement, resignation, discharge, or noncompliance with a union-shop agreement, or failure to return after furlough he shall at the time of such termination be granted full vacation pay earned up to the time he leaves the service including pay for vacation earned in the preceding year or years.
and not yet granted, and the vacation for the succeeding year if the employee has qualified thereof under Article 1. If an employee thus entitled to vacation or vacation pay shall die the vacation pay earned and not received shall be paid to such beneficiary as may have been designated, or in the absence of such designation, the surviving spouse or children or his estate, in that order of preference.

Section 9.

Vacations shall not be accumulated or carried over from one vacation year to another.

Section 10.

(a) An employee designated to fill an assignment of another employee on vacation will be paid the rate of such assignment or the rate of his own assignment, whichever is the greater; provided that if the assignment is filled by a regularly assigned vacation relief employee, such employee shall receive the rate of the relief position if an employee receiving graded rates, based upon length of service and experience is designated to fill an assignment of another employee in the same occupational classification receiving such graded rates who is on vacation, the rate of the relieving employee will be paid.

(b) Where work of vacationing employees is distributed among two or more employees, such employees will be paid their own respective rates. However, not more than the equivalent of twenty-five per cent of the work load of a given vacationing employee can be distributed among fellow employees without the hiring of a relief worker unless a larger distribution of the work load is agreed to by the proper local union committee or official.

(c) No employee shall be paid less than his own normal compensation for the hours of his own assignment because of vacations to other employees.

Section 11.

While the intention of this Agreement is that the vacation period will be continuous, the vacation may, at the request of an employee, be given in installments if the management consents thereto.

Section 12.

(a) Except as otherwise provided in this Agreement, a carrier shall not be required to assume greater expense because of granting a vacation than would be incurred if an employee were not granted a vacation and was paid in lieu thereof under the provision hereof. However, if a relief worker necessarily is put to substantial extra expense over and above that which the regular employee on vacation would incur if he had remained on the job, the relief worker will be compensated in accordance with regular relief rules.

(b) As employees exercising their vacation privileges will be compensated under this Agreement during their absence on vacation, retaining their other rights as if they had remained at work, such absences from duty will not constitute "vacancies" in their positions under any agreement. When the position of a vacationing employee is to be filled and regular relief employee is not utilized, effort will be made to observe the principle of seniority.

(c) A person other than a regularly assigned relief employee temporarily hired solely for vacation relief purposes will not establish seniority rights unless so used more than 60 days in a calendar year. If a person so hired under the terms hereof acquires seniority rights, such rights will date from the date of original entry into service unless otherwise provided in existing agreements.
Section 13.

The parties hereto having in mind conditions which exist or may arise on individual carriers in making provisions for vacations with pay agree that the duly authorized representatives of the employees, who are parties to one agreement, and the proper officer of the carrier may make changes in the working rules or enter into additional written understandings to implement the purposes of this Agreement, provide that such changes or understandings shall not be inconsistent with this Agreement.

Section 14.

Any dispute or controversy arising out of the interpretation or application of any of the provisions of this Agreement shall be referred for decision to a committee, the carrier members of which shall be the Carrier’s Conference Committees signatory hereto, or their successors; and the employee members of which shall be the Chief Executives of the Fourteen Organizations, or their representatives, or their successors. Interpretations or applications agreed upon by the carrier members and employee members of such committee shall be final and binding upon the parties to such dispute or controversy.

This section is not intended by the parties as a waiver of any of their rights provided in the Railway Labor Act as amended, in the event committee provided in this section fails to dispose of any dispute or controversy.

Section 15.

Except as otherwise provided herein, this Agreement shall be effective as of January 1, 1973, and shall be incorporated in existing agreements as a supplement thereto and shall be in full force and effect for a period of one (1) year from January 1, 1973, and continue in effect thereafter, subject to not less than seven (7) months’ notice in writing (which notice may be served in 1973 or in any subsequent year) by any carrier or organization party hereto, of desire to change this Agreement as of the end of the year in which the notice is served. Such notice shall specify the changes desired and the recipient of such notice shall then have a period of thirty (30) days from the date of the receipt of such notice within which to serve notice specifying changes which it or they desire to make. Thereupon such proposals of the respective parties shall thereafter be negotiated and progressed concurrently to a conclusion.

Except to the extent that articles of the Vacation Agreement of December 17, 1941, are changed by this Agreement, the said agreement and the interpretations thereof as made by the parties, and by Referee Morse, in his award of November 12, 1942, shall remain in full force and effect.

In Sections 1 and 2 of this Agreement certain words and phrases which appear in the Vacation Agreement of December 17, 1941, and in the Supplemental Agreement of February 23, 1945, are used. The said interpretations which defined such words and phrases referred to above as they appear in said Agreements shall apply in construing them as they appear in Sections 1 and 2 hereof.

APPENDIX D

MEDIATION AGREEMENT OF OCTOBER 79 1959

This Agreement made this 7th day of October, 1959, by and between the participating carriers listed in Exhibits A, B, and C, attached hereto and made a part hereof; and represented by the Eastern, Western, and Southeastern Carriers’ conference Committees, and the employees of such carriers shown thereon and
represented by the Brotherhood of Maintenance of Way Employees

WITNESSETH:

IT IS AGREED;

ARTICLE I-PRIOR CONSULTATION

In the event a carrier decides to effect a material change in work, methods involving employees covered by the rules of the collective agreement of the organization party hereto, said carrier will notify the General Chairman thereof as far in advance of the effectuation of such change as is practicable in event not less than fifteen (15) days prior to such effectuation. If the General Chairman or his representative is available prior to the date set for effectuation of the change, the representative of the carrier and the General Chairman or his representative shall meet for the purpose of discussing the manner in which and the extent to which employees represented by the organization may be affected by such change, the application of existing rules such as seniority rules, placement and displacement rules and other pertinent rules, with a view to avoiding grievances arising out of the terms of the existing collective agreement and minimizing adverse effects upon the employees involved.

As soon as is convenient after the effective date of this Agreement, and upon request at reasonable intervals thereafter, the carrier and the General Chairman or his representative will meet informally in a conference to discuss such suggestions as the General Chairman may have to minimize seasonal fluctuations in employment This Article does not contain penalty provisions and it does not require that agreements must be reached as the right of the carrier to make changes in work methods or to continue existing practices subject to compliance with the collective agreement is not questioned.

ARTICLE II-RATES OF PAY

(a) The rates of pay of employees subject to the rates of pay rules of the collective agreement between the parties hereto shall be listed in a master wage schedule prepared by the carrier. A copy of this wage schedule shall be furnished to the General Chairman for his verification. The wage schedule shall constitute a part of the rates of pay, rules, and working conditions agreement between the parties, but may be physically bound with the general working conditions agreement or reproduced as a document under separate cover. This rule does not require that multiple positions of the same classification and carrying the same rate of pay need be individually listed, but the listing shall be in whatever detail is necessary to enable the ascertainment from the schedule of the rate of pay for each position of employees referred to herein.

(b) When rates of Pay are generally revised and when revisions are made in individual rates of pay, the General Chairman shall be furnished with a statement of the adjustments to be made in the rates as shown in the master wage schedule.

When the rules and working conditions agreement is generally revised or reprinted, the master wage schedule shall be revised to show the then current rates of pay and reproduced and distributed in the same manner as the rules and working conditions agreement.

(c) The listing of rates of pay in the agreement does not constitute a guarantee of the continuance of any position or any certain number of positions or anything else other than as stated in paragraph (a) hereof.
ARTICLE III - RATES OF PAY OF NEW POSITIONS AND ADJUSTMENT OF RATES OF SUPERVISORY EMPLOYEES COVERED BY THE RULES OF THE COLLECTIVE AGREEMENT BETWEEN THE PARTIES HERETO WHERE DUTIES AND RESPONSIBILITIES HAVE ALLEGEDLY BEEN EXPANDED

(a) If a new position is established for which a rate of pay has not been agreed upon, the carrier will in the first instance establish a rate which is commensurate with the duties, responsibilities, characteristics, and other requirements of said position. If the General Chairman does not agree that the rate of pay so established is commensurate with the duties, responsibilities, characteristics, and other requirements of the position, he shall so notify the carrier and thereupon the duly authorized representative of the carrier shall meet with the General Chairman or his representative for the purpose of mutually agreeing upon a rate which will be satisfactory to both parties. In the event of failure to reach a mutual agreement on the subject, it will be submitted to arbitration in accordance with paragraph (c) of this Article.

(b) If as the result of change in work methods subsequent to the effective date of this Agreement, the contention is made by the General Chairman that there has been an expansion of duties and responsibilities of supervisory employees covered by the rules of the collective agreement between the parties hereto resulting in a request for wage adjustment and a mutual agreement is not reached disposing of the issue thus raised, the matter will be submitted to arbitration in accordance with paragraph (c) of this Article.

(c) The submissions to arbitration provided for in paragraphs (a) and (b) of this Article shall be under and in accordance with the provisions of the Railway Labor Act, shall be between the individual carrier and the system committee of the organization representing employees of such carrier, and shall be governed by an arbitration agreement conforming to the requirements of the Railway Labor Act which shall contain the following provisions:

1. shall state that the Board of Arbitration is to consist of three members;
2. shall state specifically that the question to be submitted to the Board for decision shall be limited to the single question as to whether the rate established by the carrier should be continued or whether the rate suggested by the General Chairman should be adopted or whether an intermediate rate is justified; and that in its award the said Board shall confine itself strictly to decision as to the question so specifically submitted to it;
3. shall fix a period of ten (10) days from the date of the appointment of the arbitrator necessary to complete the Board within which said Board shall commence its hearings;
4. shall fix a period of thirty (30) days from the beginning of the hearings within which the said Board shall make and file its award; provided, that the parties may agree at any time upon the extension of this period;
5. shall provide that the award shall become effective on the date that it is rendered and the rate awarded shall continue in force until changed or modified pursuant to the provisions of the Railway Labor Act.

ARTICLE IV - FORCE REDUCTIONS

Not less than ninety-six (96) hours' notice will be given to regularly assigned employees, not including casual employees or employees who are substituting for regularly assigned employees, who are subject to the rules of
the existing collective agreement whose positions are to be abolished before such reductions in force are made, except as provided in Article VI of the Agreement of August 21, 1954.

**ARTICLE V - PRESERVATION OF RULES**

This Agreement shall not be construed to make any change in any existing rule on any individual railroad or any portion of such a rule that contains provisions identical with or more favorable to the employees than the provisions of this Agreement. The election thus made available to the General Chairman must be exercised in writing within thirty (30) days after the effective date of this Agreement.

**ARTICLE VI - APPROVAL**

This Agreement is subject to approval of the courts with respect to carriers in the hands of receivers or trustees.

**ARTICLE VII - EFFECTIVE DATE AND TERMINATION**

This Agreement shall become effective on December 1, 1959, and is in settlement of the dispute growing out of notices served on the carriers listed in Exhibits A, B, and C on or about May 22, 1957, and shall be construed as a separate agreement by and on behalf of each of said carriers and its employees represented by the organization signatory hereto and shall remain in effect until changed or modified in accordance with the provisions of the Railway Labor Act, as amended.
